

RULERS MARKED FOR DEATH IN PLOT; EXPOSED

CZAR AND KAISER PICKED TO DIE FIRST ALLEGE OFFICIALS

Chicago, April 7.—Existence of an international anarchistic plot to assassinate all rulers of Europe has been discovered here, according to a formal statement issued today by MacLay Hoyne, state's attorney of Cook county. The alleged plot was unearthed by the state's attorney's men while investigating the activities of Jean Crones, suspected poisoner of the guests at the banquet in honor of Archbishop Mundelein a few weeks ago. The state's attorney said that a list of the proposed assassinations was headed by the Czar of Russia and that Emperor William was second on the list.

GERMANS SHIFT LINE OF ATTACK IN VERDUN BATTLE

Following up sharply their capture of the village of Haucourt, in the Avocourt-Bethincourt salient northwest of Verdun, the Germans have shifted the line of their attack slightly to the east, driving against the lines between Bethincourt and Chantancourt, and penetrating a first line trench there.

The locality is in the vicinity of Dead Man's Hill, where Germans and French have been battling at intervals for weeks for control of dominating positions. Paris declares that the Germans were driven by a counter attack from the greater part of the captured position and that they now occupy only some advanced sections along a front of about 300 yards.

East of the Meuse the French are continuing their nibbling tactics and report continued progress in German communicating trenches southwest of Fort Douaumont.

An interesting situation is developing on the eastern front where the Germans give signs of initiating an offensive. Troop movements on the Diva front are prevented by the throwing of the marshes, but south of Diva the Russian artillery has opened a violent fire in the vicinity of Vidzy and in the Narvez Lake region.

In the Caucasus campaign, the Russians are making continued progress along the upper Tchoruk, in Turkish Armenia, driving the Turks westward after dislodging them from fortified positions. The Ottoman troops are offering stiffer resistance along the Black Sea coast, attempting attacks on the Russian positions east of Trebizond but failing to achieve results, according to Petrograd.

London newspaper despatches carry reports of the sinking of the Peninsular and Oriental line steamer Simla, a 5,600-ton vessel, in the Mediterranean with a loss of eleven men. She is supposed to be in the government service and the report of her loss is connected with that from Athens of a large transport of the entente allies which has been sunk off the Greek coast.

The Spanish Ambassador at Berlin has been instructed by the cabinet to ask from Germany an explanation of the sinking of the Spanish steamer Vigo and a definition of the German submarine policy with regard to the right of neutrals.

SEIZE HERRING

Copenhagen, via London, April 7.—The Swedish steamers Hakan, Herra and Olof, with herrings to Germany, have been seized by British warships. Their cargoes are valued at \$1,000,000 crowns.

NATIVES REVOLT

Manila, April 7.—Passengers arriving here report a native uprising at Saigon, the capital of French Cochinchina, and an attack upon the local prison. The majority of the insurgents were captured after a French officer and several soldiers had been killed and injured.

CANADIANS DEFEATED

Berlin, April 7.—(Wireless to Sayville)—Capture from the British of mine crater positions south of St. Eloi, near Ypres, was reported today by army headquarters. The positions were defended by Canadian troops.

"POISON PEN" NOTES LEAD TO ARREST OF WOMAN

Cleveland, O., April 7.—Miss Anna Gemmell, 40, of Salem, Ohio, a stenographer, was placed under arrest this afternoon on an indictment returned by a United States grand jury, charging that she sent objectionable matter by mail. According to United States Attorney E. S. Mertz, the government will seek to prove that Miss Gemmell sent a score of "poison pen" letters and postal cards to Miss Vera Zeigler, also of Salem, and Mrs. M. K. Grable, wife of the pastor of the First Christian church, of Salem. Miss Gemmell is a member of the church. A number of recipients of letters are also members of the congregation, which federal officers say has been split by the workings of the "poison pen" the wielding of which is charged to Miss Gemmell. Miss Gemmell was placed on trial before the church officers some time ago in connection with this, but none of her accusers appeared and the matter was dropped by the church organization.

Federal officials say that the "poison pen" notes first began to appear after O. R. Barrett, a drug clerk, in Salem, for whom Miss Gemmell had formed an attachment, began paying attentions to Miss Vera Zeigler. Barrett is now in Seattle, Washington.

WANTS TO SERVE AS A NURSE

Columbus, O., April 7.—Adjutant General Hough today received a letter from Miss Ethel Hobson, of West Mansfield, an 18-year-old girl, offering her services as a nurse in case of war. It was the first offer of service which has been received by state authorities from a girl or woman.

PORK AND NO LEAN

Washington, April 7.—"As pure a piece of pork as ever went into a bill without a bit of lean in it for Uncle Sam," was the way Representative Treadway, of Massachusetts, described an item of \$200,000 for the continuing the sea wall extension in Galveston harbor during a debate on the river and harbors bill.

IN BANKRUPTCY

Cleveland, O., April 7.—Lawrence Riesner, proprietor of a chain of men's furnishing stores in Cleveland, Akron, Canton and Youngstown, filed a petition in bankruptcy in federal court today. He gave liabilities as \$20,482 and assets as \$9,000.

NEGRO FORCES CAUGHT VILLISTAS IN SECOND FRAY; STICK TO THEIR TRAIL

MOONSHINER SLAIN

Lexington, Ky., April 7.—Word reached here today that following a battle between revenue officers and moonshiners at Crank's Creek, in Harlan county, Washington Garrett, considered by the officers to be the most notorious moonshiner in the state was killed. The report stated that while more than 100 shots were fired, none of the government men was hit. The federal authorities have been after Garrett for years and the fight took place when they surprised a still and Garrett and his men attempted to escape into the mountains.

SHORTAGE IS PREDICTED IN WINTER WHEAT CROP

Washington, April 7.—A total production of 495,000,000 bushels of winter wheat was forecast today by the department of agriculture, basing its estimate on the condition of the crop April 1, and an assumption of average abandonment of acreage and average influences in the crop to harvest. That compares with 655,045,000 bushels, the estimated production in 1915 and 584,930,000 bushels in 1914.

Condition of winter wheat on April 1, was 78.3 per cent of a normal, against 88.5 last year, 95.6 in 1914 and 87.3, the average for the last ten years. There was a decrease in condition from December 1, to April 1, of 9.4 points compared with an average decline of 3.5 points between those dates in the last ten years.

The average condition of rye on April 1, was 87.3 per cent of a normal against 89.5 on April 1 last year, 91.3 in 1914, and 89.9, the average for the last ten years.

The Department of Agriculture in a statement said "The small production forecast is due partly to a reduction of about 11 per cent from the acreage of the preceding year and to a low condition of growth, namely 78.3 per cent of normal, which is lower than the condition on April 1, in any year since 1904; it is 10 per cent poorer than the ten year average on April 1.

The cause of the low condition was a wet, cold fall causing poor seed beds and poor start for wintering. Much of the crop was sown late, partly from necessity of the season and partly to avoid the Hessian fly.

"The Hessian fly is reported present and active in many sections of the southern part of the belt.

"Climate conditions were harder on late than on early seeded wheat. The winter snow covering was lighter than usual, often

GENERAL PERSHING'S CAMP AT SAN Geronimo Ranch, Mexico, April 3.—(BY AIRPLANE AND MOTOR TRUCK TO COLUMBUS, N. M.)—APRIL 7.—News of the second Villa defeat, which reached here late today, was taken as a sharp moral defeat for the Villa forces, because the American cavalry men had outwitted them at their own game, that of slipping unseen through mountain passes.

Losses to the Villa forces, given as thirty or more dead and forty horses captured in the Agua Calientes fight, are not considered of as much significance as the manner in which the coup was executed.

lack of sleep, damaged fields bare of snow, considerable grain on low lands was destroyed by flooding and the injury from freezing and thawing was greater than usual. The southern parts of Ohio, Indiana and Illinois were worst. Relatively best sections are the most eastern and far western states. The season is late and the real extent of damage is problematical in the northern portion of the belt.

OFFICIALS TO GO ON DIRIGIBLE CARPET OFF FOR A BIG FROLIC

Pensacola, Fla., April 7.—The new dirigible airship recently brought to the aviation station here for experimental use in connection with aerial and water maneuvers by the navy, broke today from its moorings in a high wind early today and rising rapidly soon was lost to view.

The airship is said to be worth \$50,000 to \$60,000 and is practical. Preparations are being made to pursue the escaped craft with aeroplanes.

"This inquiry will have no politics in it," said Chairman Z. B. Campbell, of the Civil Service Commission. "We want to get at the bottom of the reports circulated recently regardless of who may suffer by it."

RESOURCES ON INCREASE

Columbus, O., April 7.—State banks in Ohio on March 7 had aggregate resources of \$711,600,000, as compared with \$692,000,000 last December, State Banking Superintendent reported today. The number of state banks was 561, four more than on December 31. Savings deposits increased from \$324,000,000 to \$333,000,000 during the two months period.

TRAIN LEAVES TRACK

Cincinnati, O., April 7.—The Cincinnati and Muskingum Valley train from Zanesville, Ohio, to this city left the rails near Tower Hill, Ohio, early today, and was not brought to a stop until it had run on the ties for more than 200 yards. No one was seriously injured.

SNOW IN KANSAS

Kansas City, Mo., April 7.—Snow varying in depth from one to seven inches fell in Kansas last night and today. A light fall of snow in Western Missouri also was reported. Temperatures below freezing prevailed. In this city 1 1/2 inches of snow fell and the minimum temperature was 30 degrees.

COAL CARS DEMOLISHED

Gallipolis, O., April 7.—Fifteen coal cars left the rails and were demolished in a wreck on the Ohio river division of the Hook Valley near Radcliffe last night.

HONOR EXTENDED TO OHIO SENATOR

Chicago, April 7.—Senator Warren G. Harding, of Ohio, was selected temporary chairman of the Republican convention by unanimous vote of the sub-committee on arrangements of the Republican National Committee today on the first ballot.

Other convention officers chosen were: Lafayette B. Glendon, of New York, secretary; Wm. F. Stone, of Baltimore, sergeant-at-arms, and George T. Hart, of Roanoke, Virginia, official reporter.

The committeemen declined to discuss presidential possibilities. Charles Hilles, of New York, chairman of the sub-committee, declared the committee was confident of success for the Republican party next fall.

The next announcement of Colonel Theodore Roosevelt concerning the selection was no surprise, he said.

"The announcement, Chairman Hilles said, would have no effect on the selection of a temporary chairman.

"It is a significant fact," he said, "that in a majority of the states uninstructed delegates are

SENATE LEAVES VOLUNTEER PLAN IN THE ARMY BILL

Washington, D. C., April 7.—With the federal volunteer army plan of the army reorganization bill out of the way after one of the most strenuous fights of the present congress, the senate resumed work on the measure today, confronted with prospects of other contests to follow over certain sections.

Final action on the volunteer provision came late yesterday when the senate voted 30 to 34 to retain the provision in the bill, thereby rejecting an amendment by Senator Lee, of Maryland, to eliminate it. The vote was reached at the end of four days' debate, during which charges of lobbying on the part of national guard organizations against the provisions were made.

Possibly that the volunteer measure may be stricken out when the

AGED VICTIM OF TRAIN MAY SURVIVE ACCIDENT

Mrs. Jane Eskel, the aged woman, who, with her little 4-year-old granddaughter, Mary Ella Craig, now dead, was run over by a B. & O. S-W. yard train near Broad-

way crossing Wednesday, was still alive and reported doing as well as could be expected Friday afternoon.

Mrs. Eskel spent a very restful night and her pulsation was strong. While physicians and nurses will be greatly surprised if the aged train victim recovers they now admit that there is a possibility of it. She still calls for her little clay pipe which she was smoking when struck by the train. She was somewhat cheered when her daughters, Mrs. Alice Craig and Mrs. Beller, of Washington C. H. called on her Friday morning.

Mr. and Mrs. James Craig, parents of the unfortunate little girl, had the body of their only daughter brought to the home at 2329 Plum street, Earlytown Thursday afternoon. There was a total absence of expected confusion and excitement. Many neighbors and persons from a distance flocked to the little home.

The funeral of the child will take place from the home Saturday morning at 9 o'clock. Rev.

James E. Dibert, of the Wesley Hall Mission, will conduct the religious services. The body will be laid to rest in a grave friends purchased in Greenlawn cemetery.

125 PARDONS GRANTED

Out of the hundred and five prisoners at the Ohio penitentiary pardoned Thursday at the meeting of the Board of Pardons, one was from Scioto county. This is the largest number of pardons ever issued at a single meeting of the board.

The prisoner from Scioto county was James O'Connor. He was convicted in common pleas court last fall on a charge of committing sodomy upon a small boy at the Portsmouth Paving Brick plant. O'Connor's pardon takes effect May 1.

Motion Overruled

A motion filed Friday in common pleas court asking that the order of the court granting the plaintiff the custody of the children in the case of Rachel Schaffer against Frank Schaffer, suit for divorce, be set aside, was overruled by Judge Thomas. In an entry filed the court found that the motion of the defendant was not well taken.

Weak, Ailing Children

Made Well and Strong by Simple Remedy

Here is another letter that has just come to our attention, showing the power of Vinol to build up health and strength for weak, puny, ailing children.

W. E. Smith, of Shanesville, Ohio, says:—"My little child was puny, weak and ailing, could not rest at night and would not eat. I learned about Vinol and tried it, and within a week noticed an improvement. The child's appetite improved, it slept well, strength and health were soon built up. We think Vinol is excellent for weak, puny children."

Vinol is a delicious cod liver and iron tonic without oil, containing beef peptone, which creates an appetite, tones up the digestive organs, enriches the blood and creates strength. Children love to take it.

We ask all parents of weak, sickly, delicate children in this vicinity to try Vinol with the understanding that we will return your money if it fails to benefit your little ones.

WHITAKER-GLESSNER CO. HAS \$3,000,000 BOND ISSUE

Letters have been received by various persons in the city from a Cleveland bond house, stating that it has charge of the sale of \$3,000,000 bond issue, at 5 per cent, of the Whitaker-Glessner company, of Wheeling, W. Va. This bond issue was authorized at a recent meeting of the board of directors of the company.

The statement is made, in offering the bonds, that \$1,500,000 of the proceeds are to be expended in the enlargement of the plant at Portsmouth, owned by the Whitaker-Glessner company, and effort is being made to place a considerable quantity of the bonds locally among investors.

The above is along the lines of the statement recently issued by the steel company in connection with the purchase of real estate at New Boston and Idelwild. The exact nature of the extensions planned has not been stated by the

managers of the steel company, but it is expected that definite announcement will be made in a short time.

THEATRICAL

At the Sun.
Tonight will be country store night at the Sun and indications are that a capacity audience will be in attendance. The Palace Players are presenting "The Grafters" for the last part of this week. A good sized audience witnessed the first performance last evening and were more than pleased. The play tells the story of a young district attorney's fight against graft and corruption, and is well told by the different members of the Palace Players.

A special souvenir matinee will be given for the children tomorrow.

STOMACH UPSET?

Get at the Real Cause—Take
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver to a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Growth Is Removed

William E. Clayton, superintendent of the Irving Drew company's Front-street shoe factory, had a troublesome growth of long standing removed from his hip, in a surgical operation at Hempstead hospital Friday. He withstood the operation nicely.

G. A. R. 50 YEARS OLD

Decatur, Ill., April 7.—Fifty years ago Thursday the first post of the Grand Army of the Republic was mustered in here. Today more than 5,000 posts of the G. A. R. in all parts of the country will appropriately observe the semi-centennial anniversary of the event which marked the real birth of the great organization of Union veterans.

Bailey Post G. A. R. of Portsmouth was formed in 1881, according to Capt. Cread Milstead. He stated Friday that the local post now had 90 members in good standing. No celebration was held here relative to the formation of the first G. A. R. Post 50 years ago yesterday.

AGED VICTIM OF TRAIN MAY SURVIVE ACCIDENT

Mrs. Jane Eskel, the aged woman, who, with her little 4-year-old granddaughter, Mary Ella Craig, now dead, was run over by a D. & O. S.-W. yard train near Broad-

way crossing Wednesday, was still alive and reported doing as well as could be expected Friday afternoon.

Mrs. Eskel spent a very restful night and her pulsation was strong. While physicians and nurses will be greatly surprised if the aged train victim recovers they now admit that there is a possibility of it. She still calls for her little clay pipe which she was smoking when struck by the train. She was somewhat cheered when her daughters, Mrs. Alice Craig and Mrs. Beller, of Washington C. H., called on her Friday morning.

Mr. and Mrs. James Craig, parents of the unfortunate little girl, had the body of their only daughter brought to the home at 2329 Plum street, Earlytown Thursday afternoon. There was a total absence of expected confusion and excitement. Many neighbors and persons from a distance flocked to the little home.

The funeral of the child will take place from the home Saturday morning at 9 o'clock. Rev.

James E. Dibert, of the Wesley Hall Mission, will conduct the religious services. The body will be laid to rest in a grave friends purchased in Greenlawn cemetery.

125 PARDONS GRANTED

Out of the hundred and five prisoners at the Ohio penitentiary pardoned Thursday at the meeting of the Board of Pardons, one was from Scioto county. This is the largest number of pardons ever issued at a single meeting of the board.

The prisoner from Scioto county was James O'Connor. He was convicted in common pleas court last fall on a charge of committing sodomy upon a small boy at the Portsmouth Paving Brick plant. O'Connor's pardon takes effect May 1.

Motion Overruled

A motion filed Friday in common pleas court asking that the order of the court granting the plaintiff the custody of the children in the case of Rachel Schaefer against Frank Schaefer, suit for divorce, be set aside, was overruled by Judge Thomas. In an entry filed the court found that the motion of the defendant was not well taken.

LUCASVILLE NEWS

Mr. Jefferson Cox, better known as Jeff Cox, is here on a visit. Having been born and raised in Valley township, leaving here in 1866, this being his first visit to his old home in fifty years. Mr. Cox is now past 80 years old, and his recollection of places and names is as vivid as though he had not been gone more than two years. He is an uncle of the Rev. C. B. Pyle, now located in London, Ohio, and of L. J. Pyle living on the Scioto Trail and employed in one of the shoe factories; also of J. F. Pyle & Son of Beaver.

A delegation of students from the Normal Training School at Piketon, together with Mr. Deitrich, Pike county superintendent of schools; Professor Hunter, superintendent of Piketon schools, and Professor Lear and wife, supervisor of the Normal Training School at Piketon, came down yesterday to look over the Lucasville High School building and the methods employed by the superintendent and teachers of the school. Dinner lunch was served by the Domestic Science class in the basement of the High School. Between thirty and forty people were served. Talks were made by Professor Alley of Lucasville, Mr. Deitrich, Professor Hunter and Professor Lear of Piketon. The delegation were enthusiastic in their praise of the building and the teaching force.

Mr. Ross Will Be 97 Years Old Saturday

Samuel Randall Ross, Portsmouth's oldest citizen will Saturday April 8 celebrate his 97th birthday anniversary at his home, 310 Court street.

Mr. Ross, who lives with his daughter, Miss Anna Ross and who in many ways is a most remarkable citizen, was born in Oxford, Chenango county, New York state. He came to Portsmouth in 1844 and three years later was married to Elizabeth Kinney, daughter of the late Washington and Mary Kinney. It will be recalled that Mrs. Elizabeth Kinney Ross passed away 15 years ago.

In addition to his remarkable age Mr. Ross, who is honored and respected by everybody enjoys another distinction, that of having lived in the same house since 1847.

After being married by the late Rev. Dr. Erastus Burr he moved into his present home on Court street. He still enjoys every phase of life and bids fair to become a centenarian. Mr. Ross is wonderfully well preserved for a man of his advanced years, and he will celebrate his 97th birthday anniversary tomorrow with a spirit and buoyancy similar to that he did half a century ago.

Mr. Ross, who, before the war of the 60's, conducted a wholesale grocery on Front street, has led a retired life for the past 20 years. In addition to his daughter at home Miss Anna Ross he has two sons, George K. Ross, of New York city and Thomas W. Ross, of Cleveland.

Mr. Ross will no doubt be showered with congratulations on his natal day tomorrow and it is the wish of his friends that so good a citizen as he be spared to round out the century mark and thus take rank with the few citizens in southern Ohio, whose milestones in life have reached three figures.

Enters Corn Contest

Charles W. Hill, manager of the Tremper, perhaps better known as the Harman farm in Washington township, is the first formal entry in The Times corn growing contest. We are much pleased

with this fact because Mr. Hill is from the West Side, where we had no contestant last year. He has good land and he is a real farmer and will set a pace that the winner has got to beat.

LOST BOY TOLD POLICE HE HAD CROSSED LONG BRIDGE "7 FT. LONG"

A five year-old-son of Leonard Porter, the new landlady of the Biggs house, who just moved here from Corning, O., got lost yesterday, but was soon found by an officer and taken to police headquarters. The boy was not slow getting on familiar terms with Sergeant Jack Leeds and entertained persons about the office by telling how it took seven trains to bring him to Portsmouth and that he crossed a "great big long bridge 7 feet long." Later the fact

that he called up and the boy's identity was established.

The Movies

"Hazel Kirke"
With Pearl White and Bruce McRae
Columbia Tonight

The screen version of the well known novel and produced by the Whartons, has all the essentials of a first class feature.

Hazel Kirke is an ignorant miller's daughter. Squire Rodney, a wealthy bachelor takes an interest in the girl and educates her with the intention of marrying her. Fate, however, intervenes in the form of a young man, who immediately falls in love with her. Events then follow in quick succession. She is forced by her angry father from her home. Her marriage and misunderstanding and her final fleeing to the old homestead where love is returned and everything cleared. This is so graphically told in a clear and concise story of the mountains as to hold the attention of the audience until the last.

Pearl White, as the ignorant mountain girl, then the full grown school graduate and finally the development into womanhood, gives a perfect portrayal. Wm. Riley Hatel, as the quick-tempered father, and Bruce McRae as the staid and settled old bachelor, are characters that add strength to the story.

Direction and photography are of the highest order, and the "local color" could not be improved upon. The plot is an old one, but so differently handled as to keep the interest up to the highest pitch.

The love affair between Miriam Martin and Creighton Hale is very amusing, and affords the comedy element to the story.

Hazel Kirke is a story so complete, interesting and entertaining that its success can safely be predicted.

John Barrymore in "Nearly A King" At Lyric Tonight

You are caught in a blind alley, with your back to a massive door. Upon you rushes a squad of soldiers shouting in a foreign tongue of which you do not understand a word. But one thing you do know—that if they can reach you they will kill you like a rat. What will you do? Jack Barrymore decided to fight, and he put up one of the greatest battles ever seen on the motion picture screen.

It all happens in "Nearly A King," in which the Famous Players Film company is starring the celebrated comedian on the Paramount program. It is the attraction at the Lyric tonight.

Then Barrymore, seized and blindfolded, stands in the center of a group, all of whom are shouting to him in an unintelligible language. Then he discovers that they are demanding that he marry the girl whose hand is placed in his. But is she black or white? He refuses to marry her without being told. Then, when he is threatened with instant death if he does not comply at once—and the message is conveyed to him in English—he loses interest in the color of his impending bride. He is ready to say, "I do," no matter whether she is pink, green or purple.

All "Inked" Up

John A. Wilhelm, receiver for the Star Publishing company, unexpectedly got himself into a fearful mess Wednesday. Someone notified him that the front door of the Morning Star office had been left open. He hastened to the building, all diked out in a new suit, new overcoat and swell pair of new shoes. Someone had broken a platform and spilled a barrel of ink. Some of the ink had splashed on the wall and John in the dark got up against it, practically ruining his new outfit. To make matters worse some of the ink from his shoes got on a rug after he returned home.

Reliable Laxative Relieved This Baby

Child Was Badly Constipated Until Mother Tried Simple Remedy

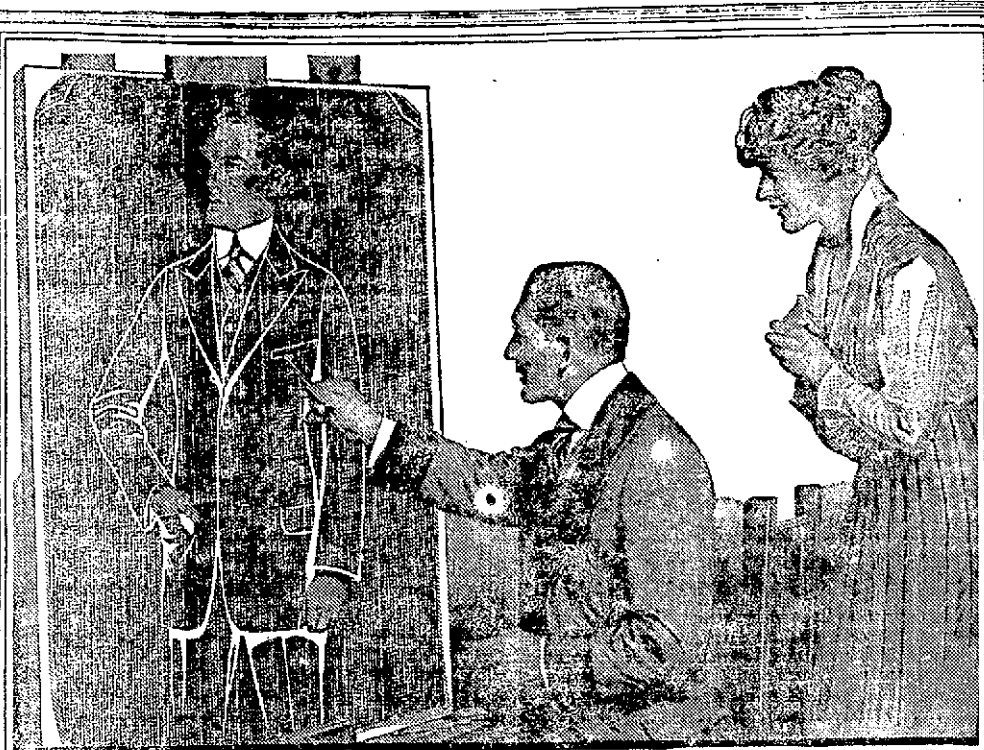

In spite of every care and attention to diet, children are very apt to become constipated, a condition responsible for many ills in after life unless promptly relieved.

Mrs. C. W. Wilson, of Shelbyville, Tenn., had trouble with her baby boy, Woodrow, until she heard of Dr. Caldwell's Syrup Pepsin. She writes: "I can safely say Dr. Caldwell's Syrup Pepsin is the best remedy of its kind on earth. It acts so gently and yet so surely. Little Woodrow was very badly constipated and I had tried nothing that gave him relief until we tried your Syrup Pepsin. It was a quarter of a century and can now say that we have had fifty cents a bottle in my well-stocked drug store. Rex Beach's Masterpiece, "The Ne'er-Do-Well," Coming to the Lyric.

The Selig ten-reel screen version of Rex Beach's "The Ne'er-Do-Well," which is coming to the Lyric theatre, is a big rush of action from start to finish. It is greater than "The Spoilers," and is considered the greatest picture since "The Birth of a Nation."

Its flights of sweet romance are higher; its depths of dastardly intrigue are blacker; its action and its risks and dangers are more overwhelming.

Kathlyn Williams, the famous star who played Cherry Malouite in "The Spoilers," is at her best in this great play, and she is supported by the original Spoiler cast. W. N. Selig sent the entire company to Panama in order to secure the proper atmosphere. "The Ne'er-Do-Well" is in ten reels and has created a sensation wherever shown.

"The Strange Case of Mary Page" at the Exhibit

"The Alienist" is the title of chapter five of "The Strange Case of Mary Page."

Philip Langdon is fighting for the life of his sweetheart, Mary Page, who is accused of murdering Dave Pollock.

He starts the jury by introducing testimony proving that Mary Page was persecuted not only by Dave Pollock, but also by her father.

Mary's wild flight through the woods after she was savagely attacked by her father, is vividly portrayed.

Langdon produces astonishing details of events leading up to the crime.

"The Woman With a Rose" is a three part Essanay drama, followed by "The Little Trespasser," a two part serial.

At The Arena. "Fighting the Butler, or the Butler's Fate," is an E. K. two-reel comedy featuring Dave Morris, Gertrude Selby, Reggie Morris and others. This is well

constructed and enjoyable throughout. The home settings are particularly attractive and the low comedy free from offense.

"The Missing Locket" is a Rex drama of heart interest showing how a family was rescued from poverty forever.

"Arthur's Last Fling" is a Laemmle comedy drama, bound to please. A special children's show starts at nine o'clock Saturday morning. One reel of Charlie Chaplin, two good comedies and one reel of travel pictures. Children three cents, two for five, adults five cents.

At the Forest. "The Bridge of Time" is a three part Essanay drama. The story covers a wide field of action and deals skillfully and interestingly with two distinctly connected periods of time—the days of Queen Elizabeth and the present.

"Midnight Provokers" is a Vin comedy. Mr. and Mrs. Jabs live in a suburban retreat. Burglaries are frequent and Mr. and Mrs. Jabs are given the scare of their lives and finally succeed in catching two burglars.

NEGRO FORCES

(Continued From Page One)

Ever since the Villa forces retreated from Guerrero, the presence of Villa bands in some of the passes between Guerrero and Bachiniva, 55 miles north of Guerrero, had been known. It was also evident from the reports to headquarters that these Villa forces under Manuel Lopez were inclined to rely for safety on their intimate knowledge of the mountain passes.

That they were relying on nothing else than their speed in making for difficult passes was indicated last Friday, March 31, when two American scouts inadvertently routed the entire band at the town Bachiniva, and into the mountains.

Saturday and Sunday two separate columns of cavalrymen were on the trails this band had taken. In spite of fast riding, or rather fast walking, for it is by walking and leading their horses most of the way, that the cavalry gets around and sometimes directly over the mountain tops, neither of these troops was in position to catch the Villa forces.

The Americans were not relying upon merely two columns of troops to box the Villa forces.

Below Bachiniva, where either the Villa forces did not know of their presence, or where they considered them too far away to be a

menace, were 200 negro cavalrymen under Colonel W. C. Brown. The negroes have the reputation of being among the best trail riders in the army. They caught the Villa forces after the bandits had ridden only a few hours out of Bachiniva. Loke Dodds' fight at Guerrero, it was a case of quick work for a few moments with rifles and then a chase. The Americans did not stop to report what they had done but stayed on the trails, so that night, two days after the fight, no details have reached headquarters camp, other than the bare report of a skirmish and the story of the two Mexican ranchmen giving the location of the encounter and Villa losses.

San Antonio, Texas, April 7.—Francisco Villa was at Cieneguillas, ten miles south of Satevo, April 4, according to General Luis Gutierrez commanding the carranza troops in Chihuahua. General Bell received this information from Chihuahua and transmitted it to General Funston today. American cavalry are pushing forward along the trails to and beyond Satevo.

MEXICANS ASSEMBLING
San Antonio, Texas, April 7.—Carranza troops were reported today by American Consul Letcher to be concentrating in the vicinity of Chihuahua City. The reason for such concentration was unexplained, but officers at Major General Funston's headquarters assumed that it was part of

the defacto government's plan of co-operation in the pursuit of Villa, who, according to reports, is traveling south beyond Chihuahua.

MORE VILLISTAS KILLED
Washington, April 7.—Another engagement between Carranza troops and Villa bandits took place April 4, at Cieneguillas. Ten of the bandits were killed. This information was received at the war department today.

TO REMAIN IN MEXICO
Washington, April 7.—Persistent reports that the American forces in Mexico might be recalled soon are emphatically denied by Secretaries Lansing and Baker. Both declare there is no present intention of changing the orders given to General Funston shortly after the Columbus, N. M., raid to "get General Villa, dead or alive."

Border advisers that a trainload of supplies, shipped by private firms, was on its way today from Juarez for Casas Grandes and Pearson, close to General Pershing's field base, satisfied officials that the railroads can be used in this way as a supplementary service to the motor truck lines even without further action by General Carranza.

MARKSMANSHIP DEADLY

Columbus, N. M., April 7.—Proof of the marksmanship of American soldiers has done more than any other development of the campaign in Mexico to strike fear into the hearts of Villa's followers. The straight shooting done at Columbus, that of the little detachment that pursued the bandits across the line after the raid, and that at Guerrero and Agua Calientes, was totally unexpected by the Mexicans. It was utterly different from shooting they had experienced in engagements between factional troops in the five years of civil strife.

"Villa's followers had been taught that the Americans were weaklings, cowards who were afraid to match their strength with Mexican forces," a naturalized Mexican living here, said today.

It was at Guerrero that the contrast between the marksmanship of the two forces was demonstrated. There the troopers of the Seventh Cavalry, shooting coolly and steadily, sent almost every bullet to its mark, while General Hernandez followers shot wildly as they ran, nearly all shooting over the heads of the enemy. As a result, it was found that only four American cavalrymen had been slightly wounded, while fifteen times that number of Villa followers had been killed, and as many more wounded.

"FRAT" LAW LEADS TO A LEGAL SCRAP

Hamilton, O., April 7.—Following the adoption of a resolution by the board of education, barring membership in any fraternal, secret society or organization among the pupils of public schools of Hamilton, Superintendent Darrell Joyce and Principal Charles H. Lake, of the High School, have suspended three boys on the ground that they would not give sufficient proof that they were not affiliated with a high school fraternity. As the result of this action proceedings have been instituted in the common pleas court by the Chi Sigma Chi Fraternity against members of the Board of Education to enjoin them from enforcing the resolution against the fraternity and asking a court order that the suspended pupils be reinstated in the Hamilton High School.

AUSTRIANS VICTORIOUS

SAFE REGULATOR FOR WEAK KIDNEYS

Kidneys and Bladder Often Grow Weak and Sluggish and Require Simple Home Treatment To Set Them Straight—How To Make a Test.

It is useless, dangerous and unnecessary to be tortured with the agonizing, twisting pains of backache or to suffer disagreeable kidney and bladder disorders if a safe, simple and harmless kidney regulator like Solvax can so promptly and surely relieve such troubles as many users say it does.

People who suffer back weakness, rheumatic pains, puffiness under eyes or in ankles and feet or are bothered with urinary disorders ought to try taking a little Solvax for a few days and note results.

Solvax usually begins to work in a few hours to regulate the kidneys so they can drive out the excess uric acid and poisonous impurities that are clogging and stopping their free and healthy action. A difference can often be noticed in as little as twenty-four hours. Winsler Bros. and other leading druggists who sell Solvax, agree to return its full purchase price if in any case it does not give entire satisfaction.

STORK BUSY IN CUYAHOGA COUNTY

Columbus, O., April 7.—Doctor "Stork" broke all records in Cuyahoga county in March, with nearly 1,900 births. This is said to be the largest number of births reported from any one county in Ohio for any one month, and compares with a total of 1,400 for February.

STRIKE MAY SPREAD

New York, N. Y., April 7.—Striking yard workers of the New York Central railroad here threatened today to extend the strike to other cities involving possibly 9,000 to 12,000, unless their demands for recognition of their union were granted. The strikers say they are asking also for an increase of three per cent in wages and for a ten hour working day. Railway officials assert that recognition of the union is the chief point at issue. The strikers include car cleaners, baggage men and track inspectors. Union officials estimate the number of men on strike today at about 2,400, while the railway officials say that only 500 are out.

TO OPPOSE LYNCHING

Birmingham, Ala., April 7.—An aggressive educational campaign against lynch law in the south is to be undertaken immediately by the new association of southern church colleges. This organization, composed of representatives of 18 southern institutions, was formed here last

night with the election of officers headed by Dr. C. M. Bishop of the Texas Presbyterian College. It will have the moral support of forty southern educational institutions. The avowed object of the association, according to its organizers, will be to conduct an active campaign against "the spirit, which prompts lynching." Statistics were presented at the meeting, which, it is said, during the past thirty years there had been 4,000 lynchings, about ninety per cent of which occurred in the south.

The steel was ordered by the city. Judge Harry B. has been engaged to look into day evening were well attended. The matter for the property owners. Judge an interest is being manifested in the lobby of the Y. M. ed in the collection of funds to be used in the building of a new house of worship. The first reports on collections will be heard Sunday at a meeting to be held after Sunday school.

The Railway Age Gazette of recent date has devoted five pages of their magazine to a story on "The Operation of the Norfolk and Western," which contains a description of the methods adopted to develop this property and operate it "unusually successfully." The more important measures taken to develop the property are described. The N. & W. was the first to adopt the Mallet locomotive for general road service on lines of low grade, employing this type of locomotive very largely for heavy tonnage trains. Over 125 Mallets are now in use on the N. & W. lines.

The N. & W. has placed an order for 2,200 tons of structural steel to be used in new car shops for the Gallia street, lowered. Eastern Division. The steel was ordered by the city. Prices on Diamonds Advancing

We firmly believe that diamonds will be higher and scarcer this fall. The mines have not produced a single rough stone since the outbreak of the war. The recent duty placed by the English government has again caused an advance in price. The best time to buy a diamond is right NOW! While you can buy them from us at the old price. We were fortunate to get a good supply of fine gems before the recent advances.

If you don't want your diamond until later, select it now and we will hold it for you until later. You can save money on your diamonds by dealing with us.

HERRICK FAVORS A TARIFF COMMISSION

Myron T. Herrick.

Myron T. Herrick, former governor of Ohio, ambassador to France during the early months of the war, and now candidate for the Republican nomination for the United States senate in Ohio, has come out strongly for a tariff commission. He believes that the delicate and difficult task of fixing tariff rates should be left to experts who spend their entire time in studying the question.

CHICAGO FACING A MILK FAMINE

Chicago, April 7.—The situation in the milk war in Chicago, in which 10,000 producers in the Chicago region are demanding of the distributors in the city \$1.55 a hundred pounds for milk during the summer months instead of \$1.33 1-3c, the present price, today assumed a more acute aspect. Developments in the situation came fast yesterday, after the consumers in Chicago and suburbs were really hit by the shortage. Many stores and delicatessens were cut off from supply yesterday and deliveries to private families in many cases were cut down materially.

Indications from the country are that the farmers will effect a still more complete tieup today, it is said.

"CLUB CLOTHES"

GENERAL FEATURES

1. Every yard of material submitted to critical examination before acceptance from mill.
2. Each and every style of cloth subjected to chemical and other exacting tests for color, strength and purity.
3. Every reliable mill in America contributes to the selection of our product, thereby giving to the wearer of "CLUB CLOTHES" exclusiveness and individuality.
4. Every yard of cloth treated by our special "London shrinking cold water process"—the best method of its kind in use. This treatment preserves the natural oils of the material, renders the fabric proof against moisture and heat, hence the reason for "CLUB CLOTHES" keeping their shape better than the ordinary kind of clothes.
5. Interior trimmings; canvas, hair-cloth, edge tape, thoroughly water-shrunk, producing our famous non-breakable fronts.
6. Every garment is sewed with pure dye silk.
7. All seams on coats, overcast to prevent raveling, found only in the very highest priced garments.
8. All garments made in the finest equipped, most modern and sanitary clothing factory in America, constructed of steel and concrete, where sunlight and cleanliness predominate.
9. The uniformity of "CLUB CLOTHES" is attributed to the extreme care in handling our work while in process of manufacturing—frequent inspection, try-ons—mark every step.
10. The unusual advantageous conditions under which they are manufactured minimize expenses to a small fraction, thereby greatly reducing the cost of manufacture and enabling us to give to our customers clothing which has won for "CLUB CLOTHES" the enviable reputation as "High Grade" but not "High Priced."

COAT FEATURES

11. Close fitting collar.
12. Non-breakable coat fronts. Absolutely impossible for the coat to break down the front, and backed by our guarantee.
13. New designed shoulder-pad of wool—the only sleeve pad that does not wrinkle.
14. Watch pocket within outside breast pocket.
15. Change or utility pocket inside of right hip pocket.
16. Perspiration shields at arm pits to protect lining.
17. Sleeves with telescope outlets.
18. Outlet at the top of the neck, making it possible to fit any form.

CLUB CLOTHES \$10 and \$15

Men's Suits Made to Order \$15 and \$20 Made to Measure

19. Buttons of new and special design made for "CLUB CLOTHES" each season.

20. "Bartell Patented Pockets" preventing bulging or sagging.
21. "CLUB CLOTHES" undercollar hand felted and padded making a thin edge so the collar sets well. Tailored and shaped like a custom coat—making it fit perfect and natural.
22. Change pocket on inner side of facing.
23. Neckpad prevents wrinkling below collar.
24. Inner taping of coat makes coat edges "pocketproof."

TROUSER FEATURES

25. Hipp-Fit "CLUB CLOTHES" trousers an original creation, perfect fitting without the aid of suspenders, with belt loops and tunnel stiles.
26. Belt of same material with unique buckle, new, neat and novel.
27. Back pockets of trousers made with flaps and buttons to prevent loss of pocket-book or other articles.
28. Our newly-designed side pockets with vertical wall, which prevents pocket from bulging, shaped to fit the form of the hand.
29. Three-inch "turn-up" for straight or permanent cuff-buttons, easily adjusted to any length, without injury to original shape.
30. Special outlets on inside seam of legs and liberal outlets in both seat of pants and curtain of waist, making it a simple operation for any tailor to increase or reduce size of waist or seat.
31. Hangers of silk braid.
32. Cash pocket on right side of trousers.

VEST FEATURES

33. Side buckles to produce smooth fitting back.
34. Fancy vestee, detachable and washable to match material of vest.
35. Outlet on each side—making it possible to enlarge vest.
36. Shaped over breast and cut with a V at waist to fit body and lie close to shirt, a feature you'll enjoy.

OUR GUARANTEE

WE GUARANTEE every garment bearing our label to be made of perfect cloth—thoroughly sponged and water-shrunk—tested by our sun and spot-proof process and sewed with pure silk. We further guarantee it to give satisfactory service—should it not prove as above represented we will make satisfactory adjustment or replace it with a new garment.

HATES CHICKENS AND COWS TOO

Woman's Story Will Hold Interest for Thousands of People Everywhere

"I hate the cows and chickens," said Mrs. Etta Edwards, of 330 Mill street, Lockland, O., in a phrase of a popular song of the cabarets.

"I have lived on eggs and milk for so long that I just can't look at a hen or a cow with friendly eyes," she explained laughingly. "When one's diet is restricted to the products of our friends of the barnyard for weeks and then months, it is like suddenly stepping into a little paradise of content to find all the good things of former days back on your own bill of fare."

Mrs. Edwards' story will hold interest for thousands of men and women who would welcome, as she did, freedom from a diet.

"I have long been a sufferer from stomach trouble," she explained. "I paid in pain for every meal I ate. There was the daily headache that appeared soon after breakfast, and stayed for lunch and supper. My sleep, after the hours of suffering, was broken and gave me no real rest. I had no energy, was tired all the time, and life was just long days of discontent."

"In the hope of improving I began the diet of boiled milk and boiled eggs. And I was faithful. For weeks I kept this diet and I did improve some under it, but I was not being cured, I realized."

"Now my stomach is a great deal better. I can eat almost anything without ill effects. I am too thankful to depart from plainly cooked food yet, however. But my appetite is good, my sleep is sound and refreshing, and my housework is no longer an irritating, difficult task."

"The reason I have taken Tanlac, the Master Medicine. So why should I hesitate to recommend it to any one or every one who suffers as I did?"

Throughout the country there are more than 1,000,000 people who will say, as does Mrs. Edwards, that there is no medicine that acts so favorably on ailments of the stomach, liver and kidneys, or catarrhal affections, or is so good a tonic, appetizer and invigorant as Tanlac, which is now being introduced in The Fisher & Smith Pharmacy, at Portsmouth, Ohio.

Tanlac may be obtained in the following nearby towns: New Boston, E. H. Coburn; Sciotoville, Sciotoville Pharmacy; Bloomington, H. J. Glavin; Scioto, Stockham & Payne; McMinnott, Oud Thompson; Lucasville, Dr. J. H. Cox; Stockdale, O. E. Emery & Co.; Jasper, J. W. Dewey; Pike-ton, R. B. Wilson; Oak Hill, Jennings Pharmacy; Otway, J. T. Walsh; Young, O. H. Perry; Pre-she, W. A. Galt; Parma Vista, Louis Dorn; West Union, W. D. Satterfield; Pullerton, Ky., S. M. Robinson; Raden, Taylor & Taylor. Adv.

SOUTHERN DRUG MERCHANT MAKES UNUSUAL STATEMENT

W. WITHERS MILLER
President of the Pot-Miller Drug Company, Richmond, Va., is authority for the following extraordinary statement:

"I estimate that the business men of this country could increase their efficiency fully ten per cent by taking an occasional laxative and not neglecting the bowels as most of them do."

He also said that if the Department of Commerce in Washington would present each business man in the country with a box of Beall's Oriental, it would be of great benefit to the national welfare. Beall's Oriental is a prompt in action, pleasant to take and never grips, can be used by men, women or children, and are just the thing for tending up sluggish livers.

We have the exclusive selling rights for this great laxative.

OBITUARY

Mrs. Mary Waldo
Grim Death Friday afternoon at one o'clock claimed Mrs. Mary Waldo, the final summons coming at the home of her daughter, Mrs. D. C. Spriggs of 2235 Gallia street, where Mrs. Waldo has made her home for sometime.
Death was due to infirmities and complications, Mrs. Waldo having been ill for sometime. Had the deceased lived until June 24 she would have been 56 years of age. Mrs. Waldo was born in Iowa

county, Ky., where she married Jehial Waldo who died in this city eighteen years ago. Mr. and Mrs. Waldo and family lived for a number of years on Pond Run. On coming to the city about twenty-six years ago Mr. Waldo followed the trade of shoemaker.

Mrs. Waldo was a kind and loving mother and a faithful church attendant, being a member of the Pond Run M. E. church and later Manly church. She has many friends here who will be shocked to hear of the death.

The deceased is survived by six daughters, Mrs. D. C. Spriggs of Gallia street; Mrs. Elizabeth Storey of Dexter avenue; Mrs. Lucy Gyor of Sixth street; Mrs. Emily Monk, of Front street; Mrs. Samantha Ross of Kendall avenue; and Mrs. Wesley Haislet of Kendall avenue; and one son, James Waldo of Mt. Joy. She also leaves a half sister, Mrs. Elizabeth Wright, of Vanceburg, Ky.

James W. Bradley

Rev. B. B. Cartwright, pastor of the Central Presbyterian church, and wife, have been called to Manchester, O., on account of the death of her father, James W. Bradley, who died Thursday evening. It will be remembered that Mrs. Bradley died on February 15th.

James W. Bradley was born in Bentonville, O., May 29, 1845, being a son of Jefferson Bradley. One brother, Mr. John Bradley, of Bentonville, Ohio, is living. At the time of the rebellion the father and three sons enlisted. James W. Bradley was wounded during the battle of Nashville. He was a member of Company D, 24 O. V. I. Two sons, Edward and Harvey of Manchester and one daughter, Mrs. B. B. Cartwright, of this city and one grandchild, Bliss Bradley Cartwright, Jr., are the near relatives.

The funeral services will be conducted Monday at two o'clock with Rev. A. E. Huntington in charge.

Charles Crawford.

Charles Crawford, aged 29 years, a blacksmith, died suddenly of pneumonia at his home on Market street, Friday noon.

The young man had been ill only since Sunday. His mother, Mrs. Mary Crawford, is also at the point of death with paralysis at the home of a daughter, Mrs. O. A. Case, of Madison street. Mr. Crawford, who was more familiarly known to his friends as "Pops" was a son of V. V. Crawford, a veteran blacksmith.

He was married five years ago to Miss Cora Davis, who survives him with two younger: Walter, aged 4 years and Mary, aged 14 months. He also leaves two brothers, Dan Crawford, of Madison street and Thomas Crawford, of Mt. Olivet, Ky., and four sisters, Mrs. Case, Mrs. Martha Askins, of Cincinnati, Mrs. Susie Jett, of South Portsmouth and Mrs. Jessie Bullock, of Cumminsville.

No arrangements have as yet been made for the burial.

Peter Smith.

Peter Smith, aged 70 years, a retired iron furnaceman and railroad man, of Hamden, died suddenly at the home of a son-in-law, John Walker, a C. H. & D. telegraph operator in Wellston, Friday morning. Mr. Smith was for years a section man and later a crossing watchman on the B. & O. S. W. at Hamden.

Mrs. Eva Lewis

Four bright and handsome little children were robbed of the love, care and devotion of a mother, and a husband of the help and companionship of a good and true wife, in the sad and untimely death of Mrs. Eva Lewis, aged 34 years.

Mrs. Lewis passed away at the family home, No. 205 Front street, shortly after 5 o'clock Thursday evening, from the effects of a surgical operation performed a week before, in the hopes of relieving her sufferings of the past eleven days.

Mrs. Lewis was the wife of John M. Lewis, a tinner, employed at the Whitaker-Glossner company's plant. She was a daughter of Thomas and Mary Evans, of No. 124 Scioto street. The children who are left motherless are: Martin, aged 8 years, Goldie, aged 6, Glenn, aged 6, and Evelyn, one year old. Mrs. Lewis is also survived by two brothers and two sisters: Claude, Floyd, Ethel and Bertha Evans, and a grand-mother, Mrs. N. Jane Evans, aged 80 years. She was a member of the First Presbyterian church and a good Christian young woman.

Funeral services were conducted at the bereaved home by Rev. James E. Dibert, of Wesley Hall Mission, Friday afternoon, at 3 o'clock, and the remains will be taken to the family's former home in Tannery, Ky., Saturday morning for burial, in the Maddy cemetery.

Adam Seel Funeral

The great esteem in which Adam Seel was held was attested by the large outpouring of sorrowing friends at the funeral which took place Thursday afternoon. Services were conducted at the

family home on Second street by Rev. Samuel Lindenmeyer, pastor of the German Evangelical church, assisted by Rev. George P. Horst, pastor of the Second Presbyterian church, who gave a prayer. Brief services were also held at the grave. There were many and beautiful floral offerings. The pallbearers were: Messrs. Walter Patterson, Carl Wolfe, Frank Moore, Fred Schreiber, P. S. Revare and Dr. W. E. Gault. Mrs. J. C. Gublish, of Maysville, Ky., a niece of Mr. Seel, also attended the funeral.

Frank Piles

F. M. Temple, of No. 1017 Grandview avenue, is in receipt of a copy of the Tuscola, Ill. Journal, telling of the recent death there of an old comrade of Battery L, First Ohio Light Artillery, and former Scioto county resident, Frank Piles.

Following is the account of the death:

"Frank Piles, a well-known old soldier and retired former resident of Tuscola, died Wednesday morning at 2:40, after an illness of several months. He had been suffering from kidney trouble for several years.

"The funeral services will be held Friday afternoon, at 3:30, from the late residence on Scott street, Rev. A. A. White, pastor of the Methodist church, officiating. The interment will be in the city cemetery, with Isaac Smith, F. H. Wood, J. R. Cantrall, H. C. Jones, H. Entler and J. W. Kagey as pallbearers.

In the fall of 1902 Mr. Piles decided to abandon farming and removed to Tuscola, purchasing a home on Scott street, where he resided up until the time of his death. His land holdings at present are near Gulton.

"Mr. Piles was a member of Frank Reed Post, G. A. R. of this city, in which order he was a prominent member until his health failed him, and served several terms as commander of the post.

He is survived by his wife and two daughters, Mesdames Berdellah Payne and Olla T. McClelland, both of Decatur."

James Carmichael

James Carmichael, aged 65 years, a retired railroad engineer, formerly of this city, died suddenly at his home in Hamden, Friday morning.

Mr. Carmichael had gone to Wellston for a visit Thursday and was taken ill there. He was brought back to his home in an automobile. Mr. Carmichael last ran as a fireman on the Portsmouth-Hamden accommodation train. Fred Lenevar, an N. & W. yard switchman of this city, was his step-son.

Mystery Surrounds Origin Of A Blaze In Vacant House

New Boston was visited with another mysterious fire at one o'clock Friday morning. Joe Hladik, Gallia street restaurant man, discovered the fire, which was in the old four-room, two-story empty frame structure just west of the town hall. Flames were shooting through the roof when he happened along. He awakened Fire Chief Frank White, who soon had the truck and 500 feet of hose on the scene, White making the run down the Gallia street sidewalk and then down the bank to the house, which is on the alley. Joe Justice and Clarence Oulver assisted White and Hladik, and one stream was played on the blaze, which was quickly extinguished. The house was gutted. The fire was quickly extinguished. The house was gutted. The fire was quickly extinguished. The house was gutted.

CONTRACT FOR PAVING WILL BE LET TODAY

According to a dispatch from Columbus, the second largest road contract letting in the history of the Highway department will be made today, the bids to be opened late this afternoon by Commissioner Cowen. Forty-two contracts in thirty counties, calling for improvement of 94 miles of roadway, composed the total of about \$1,465,000.

Suit On Notes

Through Judge J. P. Purdum, the Arkonis Lumber Co., Cleveland, entered suit in the court of common pleas Friday to collect \$762.28 from H. D. Bahner, alleged due on promissory notes. The petition contends that Bahner executed four notes on or about December 3, 1915 which totaled \$762.28. Judgment for the foregoing amount is asked.

W. E. Tripp, of South Webster, who recently underwent a second surgical operation was reported better, Friday.

worth of contracts. This marks the opening of the 1916 road building program in Ohio.

Of the forty-two contracts, three additional miles of brick paving for Scioto county is included. This improvement is located on the fronton pike and extends from Sciotoville to Wheelersburg.

Another letting will be held the first of May, at which time miles on the West Side will be awarded.

Rumor Branded As False By Coroner

It was rumored in Sciotoville Friday that Thomas Ennis, colored, whose body was found near Wheeler's Mills several days ago and interred in that vicinity had a bullet hole in his head. When asked about the rumor Friday Coroner J. W. Dachler branded it as untrue. "It was reported in the C. & O. railroad camps that several people fired at Ennis, but no bullet holes whatever were found in his head or body," Coroner Dachler said Friday in dismissing the rumor.

VANCEBURG MEN WILL INSPECT BRICK PLANTS

Thin People Gained Weight Quickly

By Following This Simple Suggestion

Thin men and women who would like to increase their weight "stay there" but should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—come table every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and the tape measure will tell their own story, and many thin men and women we believe can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food, it aims to turn the fats, sugars and starches of what you have eaten, into rich, ripe fat providing nourishment for the tissues and blood, preparing it in an easily assimilable form which the blood can readily accept. Much of this nourishment now passes from your body as waste. But Sargol works to stop the waste and do it quickly and to make the fat produced, contents of the very same foods you are eating, now develop pounds and pounds of healthy flesh between your shoulders and hips. Sargol is safe, pleasant to eat and inexpensive.

Fisher & Steinhilber and other leading druggists in this vicinity sell it in large boxes, forty tablets to a package, on a guarantee of weight increase or money back a pound in each large box.

Judgment Is Given

Judgment by default was given V. O. Weathers, a local engineer, in his suit against the J. F. Witmer Company of Buffalo, N. Y., Friday in the court of common pleas by Judge Thomas. Weathers recently entered suit to collect \$366.40 alleged due for labor performed, through his attorney, J. P. Johnley.

Motion In Beasler Estate Case.

A motion was filed in the court of common pleas Friday by Attorney J. F. Johnley, administrator of the estate of the late Conrad Beasler, asking to be made a Jennie Gyor against Eunice Beasler, et al. The motion was sustained by the court and the attorney was given five days in which to file his answer.

The motion was filed by the attorney to protect the interests of the estate. In the suit for partition filed by Jennie Gyor allegations are made that there was enough personal property to pay all of the indebtedness. This the administrator disputes and filed another suit in the probate court recently asking permission to sell certain tracts of real estate.

AN EASY WAY TO END CATARRH FOREVER

Simple Home Treatment Destroys Germs of This Dangerous Disease.

The reason why so many people who suffer from Catarrh never seem able to get cured is that they are continually seeking the momentary relief of sprays, douching, greasy creams, ointments, etc. Such things do open up the swollen nostrils and clear the head temporarily, but they never cure. To drive out Catarrh for good you have got to get down to its real cause. Catarrh is a germ disease. The air is always full of catarrh germs thrown off by one person and absorbed by another when the system does fall to throw off such germs they find permanent lodgement in the nose, throat and head and multiply rapidly. The germs of catarrh can be best destroyed by inhaling the pure medicated air of Eucalyptus (pronounced High-o-no). This splendid and powerful combination of all of Eucalyptus with other healing agents has a wonderful germicidal action. You breathe its air into your nose, throat and lungs by means of a small hand rubber bulb which Warmer Bros. and other leading druggists here in Portsmouth and vicinity supply with every treatment. This medicated air is certain death to the germs of Catarrh and drives them completely out of your system and when the germs are destroyed the Catarrh with all its disagreeable symptoms will stop. Even two or three minutes use will give refreshing relief, while, if you will use it two or three times a day for a few weeks it will completely banish Catarrh and every symptom of Catarrh. As Hygiene is pleasant to breathe and is always sold by druggists everywhere with a positive guarantee of successful results or money back, surely Catarrh sufferers should go long before trying this simple home remedy.

HOW TO BE SLIM
If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve your system, or think you must always be laughed at on account of your fat, but to The Fisher and Streich Pharmacy, or any good druggist, and get a box of Oil of Korea capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat.

Clifford's own companions on the night of the trouble gave the most damaging evidence, perhaps unintentionally, against him.

Shaw, whom various witnesses told of having had a razor in his hand, though he himself denied it, admitted that Clifford had told him that he had cut Newman and also said Clifford had handed the knife to Tracy Hollingsworth, a colored boy, telling him to throw it away as far as he could. Shaw admitted striking Newman just before he was out in response to a call from Clifford to "stay with him." Hollingsworth claimed he did not know who cut Newman but admitted that Clifford had handed him a knife and that he threw it into the old Old Fellow building site on Seventh street. He said he and Clifford and Shaw spent the balance of the night in a North End barn.

Clifford, who is 20 years of age, did not acknowledge the cutting, pleading not guilty, but claimed that "Pop" Liles, "Curly" Taylor, Stanley Newman, all were drunk and came at him with knives drawn. He also said that Shaw had shown him a razor before they left home that evening. He said he had started to police headquarters Tuesday morning to give himself up but said that he met his brother, Henry Clifford and John Zimmerman and when he told them that he was going to find out what he was wanted for they told him he was foolish and that he had better head in an opposite way. While the two men denied having given "Nip" such advice the mayor seized the opportunity for giving warning that city employees who would obstruct or antagonize the police department would not be permitted to remain on the pay roll for one minute and only because he had just the one man's word for it caused him to pass up the present instance.

The young man's father, Min Clifford, who was with difficulty restrained from interfering with the testimony of witnesses, when finally given an opportunity to talk, claimed he had been with Harrison Sunday and that he had never mentioned to him of having cut anyone, thus to relate the statements of Charles Shaw and others who told of "Nip's" boasting he had stabbed Shaw.

The father exhibited a big Barlow knife, which he said "Nip" had not fingered since he came back from the Lancaster reform school. Young Hollingsworth was released with orders to appear before the grand jury when wanted. The victim of the cutting affair was unable to appear at the hearing.

REVIVAL MEETINGS

At Manly Church

Truly a service of great power and inspiration was that held at Manly church last evening. Every part of the service, from beginning to end, was of a nature to lift those present to a nearer relationship with God. Mr. Harry Edwards was again present and led in prayer. The song service was featured by two duets, "Since Jesus Came Into My Heart," by Mr. Edwards and "Young Eddy" and "Come Unto Me" by Prof. Weaver and Rev. Gilliland.

The text of Dr. Chandler's sermon was the familiar story of Esau, who sold his birthright for a mess of pottage. Dr. Chandler is truly a man of God, and the message was brought in such a plain, earnest way as to reach every heart.

Esau sold his birthright for a mess of pottage, a bowl of soup. Men and women today are still selling their birthrights for a mess of pottage. Young men and women with great powers, wonderful ability, with promise of a splendid future, have turned out to be worthless. Why? They have sold their birthright for a mess of pottage. God means great things for us, but we're turning away.

What was Esau's birthright? To be the heir of his father. Not of his property, but of the promise. The line of God's chosen seed should descend through him. But he didn't care for those spiritual blessings; those were but dreams. He wanted something to satisfy present desires. He was hungry, and so was willing to sell all his rights for something to eat. Men today are selling their birthrights for worldly pleasure, for wealth, for power; what shall it profit a man, if he gain the whole world, and lose his own soul?

Look into your own soul. Ask yourself, "Am I selling my birthright for a mess of pottage?" What is your birthright? What

does it mean? It means your freedom. Freedom from the shackles and fetters of sin and selfishness. God never meant you to be slaves. As the children of Israel, fleeing from bondage, were saved at the Red Sea and saw their former taskmasters destroyed by the waters, so our birthright is to see our sins dead on the shore, to be free from their power.

"Our birthright is to be great. God never meant us to be puny and little, but great souls. He meant us to have a soul big enough to take in the whole world. How can a man be small when he's walking in the presence of God?"

"Our birthright is to be real, through and through, to be sincere. We can't deceive God. He can't save us until we are sincere. We've got to be honest with Him."

"Isn't it a great thing, this calling of God? But it takes grit to step out for Him to serve Him, though others may scorn. Oh, for the grit of the three Hebrews, who could trust Him in the face of the fiery furnace! Oh, for the grit of a Daniel. Sometimes we compromise; the devil has us on the fence; we're neither good or bad. We're on one side, then on the other."

"There's a birthright for you. Claim it. Your birthright is to be safe and sound, whole and holy. Why not claim it now?"

Rev. Gilliland will preach to night. The Junior Choir will sing. Everybody welcome.

At Wesley Hall
Interest in the series of revival sermons being delivered nightly at Wesley Hall Mission, 512 Second street, by Rev. J. J. Upton, Portsmouth district minister, is increasing daily, the largest congregation of the week being present Thursday night.

The services last night were opened by Rev. James E. Dibert.

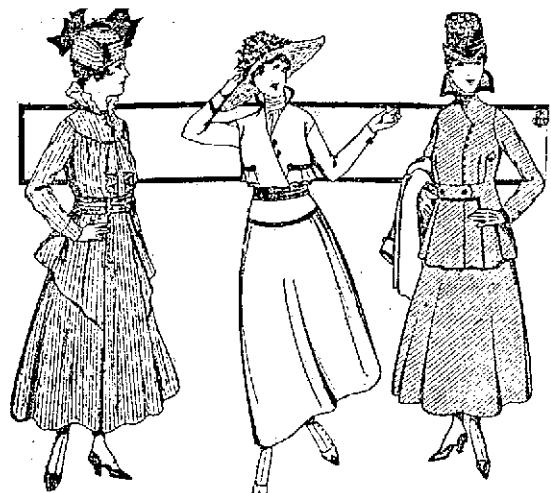

to hear his interesting sermons. Tonight he will have a subject of interest to everyone. All are invited to these meetings which begin promptly at seven o'clock each evening. Don't forget the place, 512 Second street.

LOVE AFFAIR LEADS TO A REVOLVER BATTLE

Local Man Is Shot Twice; Friend Also Wounded; Rival Makes Escape In Mountains

John Hammock, 23, son of Mr. and Mrs. Frank Hammock, 2130 Gallia street, figured in a thrilling pistol duel in West Virginia last Sunday afternoon, when Brooks Pack, a tall, lanky mountaineer, stepped out on the railroad near Hartwell, W. Va., where Hammock and his pal, Findlay McGuire, were standing, and opened fire with a Colt, .38 calibre pistol. A fusillade of steel-jacketed bullets followed, in

which Hammock was shot through the right leg twice and McGuire through the abdomen. Pack made his escape to the mountains of Virginia, when friends came to the rescue of Hammock. Hammock was removed to the home of his brother-in-law, Wade Broomfield, in Hartwell, where his wounds were dressed. Thursday he was brought to this city and taken to the home of his sister, Mrs. Tru-

It was an old grudge, lasting for several months. When he was a short distance away, he reached for his hip pocket. I knew that he intended to kill me," declared Hammock with vehemence. "But I was determined not to die without a fight. So I reached down, pulled my revolver out of the holster and put it in my right coat pocket."

"My friend interfered. He told me to keep away from trouble and leave the revolver alone. Pack strode up near where we were standing and pulled his revolver and fired. I staggered, but managed to reach my gun. I blindly fired and shot my best friend through the abdomen. I don't know yet how it happened, but I suppose he stepped in front of me after I was hit."

"Before I fell to the ground," excitedly exclaimed the speaker, "I was struck again. With McGuire and myself both down, I was afraid that Pack had the advantage. But I raised on my elbow and began shooting. Pack and myself emptied our guns about the same time. My wounds were bleeding profusely and I was becoming weak. Pack was reloading with great haste. I threw back the chambers of my gun and started to reload. I succeeded in getting two shells in the chamber when I fell unconscious."

"Before Pack could reload, friends from Hartwell, hearing the shooting, came to the rescue and Pack escaped across the Virginia line and made his way into the mountains. I do not know whether I struck Pack, but believe that I did."

Hammock and Pack were working on a Norfolk and Western section gang, near Hartwell, when the trouble first started. The father of the boy claims that the two were going with the same girl and this aroused the hatred of the mountaineer, for Hammock had been at Hartwell but a few weeks. Threats were exchanged frequently and both ex-

pected trouble. A few weeks after the first argument over the girl, Wade Broomfield, brother-in-law of Hammock, and section foreman, discharged the mountaineer. This was the direct cause of the shooting. No arrests were made by the Hartwell authorities. McGuire's condition is considered serious, but Hammock's wounds are healing rapidly.

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anurie," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments.

W. A. ROBERTS, Harris Station, Ohio.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anurie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "Anurie" for their anxious customers in and around this locality. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment. **EDITOR**—Please insert this letter in some conspicuous place in your paper.

"Del" Miller Is Married, Plan To Keep It Secret Fizzles

By **BUD FISHER**

Delman J. Miller, pharmacist at the Miller drug store, Ninth and North Waller streets, and Mrs. Irene Weeks Emerich, were married Wednesday evening, by the Rev. L. J. Hopper, at the United Brethren church, parsonage, and have gone to housekeeping in a flat they already had furnished on Eighth street, opposite the Second Presbyterian church.

They had planned to keep the wedding a secret for a few weeks, and succeeded for a day, but the news leaked out.

The wedding ceremony was performed at 8:45 o'clock Wednesday evening, the attendants being Miss Mabel Weeks, a sister of the bride, and Miss Ethel Titus. Following the ceremony the wedding party went to the costly furnished flat, where a party of intimate friends had gathered. During the evening refreshments were served.

Mr. and Mrs. Miller have the best wishes of their friends for the future.

Rengo Belt

Reducing Corsets

Have No Appearance of Heaviness in the Full Figure

The same lines—the same mould—the same smooth fitting over abdomen and hips—the same waist line—exactly the same model of proportion as in the regular average figure—is the result obtained when medium heavy and full figures wear Rengo Belt Reducing Corsets. And the garments will remain just as you buy them—they have the strength and scientific tailoring to mould your figure and not be moulded out of shape by wearing strain.

The principal reason for this great supporting strength is in the Rengo Belt tailored-in feature, now made famous by eight years of success. If this principle were not scientifically correct for stout and medium figures, Rengo Belt corsets would cease to exist, for it is the foundation of every garment of every model. Please note that the Rengo Belt adds no material weight or bulk, but multiplies the strength many times.

Boned throughout with double watch-spring steels—guaranteed not to rust. There are models with and without "Steelastic" webbing.

CHARLESTON DEFEATED AT TEN PINS BY MAJORITY OF 192

Locals Get Fine Start In Inter-City Series, Big Crowd Was Out

Portsmouth experienced little trouble in defeating the crack bowling team from Charleston at the Play House alleys Thursday night, winning the three game match before a crowded lobby by a majority of 192 pins. The visitors were away below form in the first two games, which the locals won without half trying. However, the West Virginia lads came back strong in the last game, thanks to the high scores made by Bastien and Callaghan, scoring 947, the biggest total of the evening.

A more gentlemanly lot of players than the visitors never faced the head pin, and the contest, while exciting at times, passed off without the slightest wrangle. Plenty of enthusiasm was shown and it really looks as though the ten pin game had again come into its own, so far as Portsmouth is concerned.

Before the game the locals had hoped to ring up not less than 2700, but, owing to numerous splits, superinduced by misses and cherry-picking, the hoped-for result was not obtained, the total being 2679. Charleston totaled but 2487, not getting "set" until the last game.

Walters, anchor man for the locals, was high man, with 277, Malavazos being second, Wilhelm third, Prediger fourth and Sheridan last. Crashing too square into the king

pin kept down the scores on both sides. The visitors, however, lost their chances of winning by making too many errors. They are good strike bowlers, but it seems their weakness is in making spares.

After the game the Charleston boys and the Play House Five were turned over to the tender mercies of Manager W. N. Gablman. A local restaurant was visited and even the menu cards were devoured. The visitors spoke highly of the treatment accorded them and declare they, too, will do the handsome when the locals visit them on April 23.

The scores:

Portsmouth	151	180	175

Duffy After Match

Jimmy Duffy, one of the best lightweights in the business, has written to Promoter Kieley for a fight in Portsmouth. Duffy will be accommodated, providing that a worthy opponent can be found for him. During the winter months "Red" Whelan, who at one time was one of the best all around players in the Ohio State league, is one of Duffy's seconds.

Nick Carter Sent To Hoosier Club

Cleveland has turned Pitcher Nick Carter over to the Indianapolis team in the American Association. Nick has the goods and his friends here are confident that after winning a few games in the A. A. he will be back in the American league. Carter graduated from the ranks of the Ohio State league, it being conceded that he was one of the best pitchers in the O. S. while a member of the local team.

SEES INDIANS FLAG CONTENDER BY 1918

Jim Dunn
"Give me three years and I'll give Cleveland a team of championship caliber—I promise the fans a team that'll make it interesting this year, a better team next year, and a ball club that'll be fighting for the flag year after next." So says Jim Dunn, the new president of the Cleveland Indians.

WHITE WON FIGHT

Kansas City, April 7.—Charley White, the Chicago lightweight, was awarded the decision over Matt Wells, English lightweight champion, in a 15 round bout here last night.

Toledo Club Go To Springs

Toledo, O., April 7.—The Toledo base ball club will leave Dawson Springs, Ky., today on its trip north. A series of four games will be played with the Springfield-Ohio, Central League Club, beginning Saturday.

Wants Games In Ironton

Ironton, April 7.—Billy Doyle, who conducts a baseball school at Portsmouth, desires games with Ironton baseball teams, to be played here during April and May, or before the Ohio State league opens. Billy declares he will send a strong team here and that a good game could be expected. His offer may be accepted.

Awarded To Boston Club

Cincinnati, April 7.—The National football commission today awarded the services of player Compton to the Boston National League club. Compton deserted the Kansas City club and signed with the St. Louis Cardinals.

Not Afraid Of Tinker

We don't know whether Joe Tinker thought he had the 1916 flag secured, but it must have been an awful shock to him to realize that National League teams do not cringe at the thought of meeting Federal League champions.

"OLD KENTUCKY" IS RICH AND FRUITY

This Delicious Chew Has the Wonderful Flavor of Choicest Burley Leaf

MADE BY MODERN METHODS

If you don't chew tobacco you simply cannot get the full measure of enjoyment out of it.

A good chew, with its juicy richness and appetizing flavor, is an aid to digestion. That means it's beneficial to the whole system. And the best chew is *Old Kentucky*, the closest-to-nature form into which tobacco leaf can be made.

Nature's own sweetness is in every juicy chew of *Old Kentucky*. You never before tasted such mellow richness—you can't get so much deliciously sweet flavor out of any other chew.

The rich leaf of *Old Kentucky* is selected, re-selected, picked over by hand, stemmed by hand, pressed into pure, luscious, golden-brown pieces by the most wholesome modern methods.

Try a decent plug of *Old Kentucky*. You'll find it wonderfully tasty, mellow and appetizing—a rich, wholesome chew that exactly suits your taste.

BAESMAN HONORED BY CAPTAINCY

Julius Baesman was elected captain for the 1917 Portsmouth High School basketball team at a meeting of the basketball players held Thursday afternoon. Baesman played his first high school games this year. He played center and figured prominently in the victories hung up by the locals this year. Baesman was a pivot for the team work and all plays and made a splendid man and will make a good leader for next season's team. Ralph "Pete" Brandel, small but mighty, was captain of the team this year and leaves the school with a good record. Brandel having played three years. Besides Brandel there will be lost by graduation this year Harry Wagner and William Trone, the star forwards and Evans substitute forward. The remaining regulars for next season are Baesman, Nutter and Shimway. Nutter having played in 1915. Shimway is an all-around guard. Nutter will be shifted to forward from guard. Baesman will be at center, the positions to be filled being one forward and one guard and two substitutes. Thane Wilson, Wells and Smith will be contenders for the positions next year along with several others.

Reds Forfeited Game To Columbus

Columbus, O., April 7.—Columbus was awarded Thursday's game with the Cincinnati National League team, 9 to 4, when Manager Herzog refused to leave the field in the eighth inning.

He was coaching at third base when Mollwitz made a hit that put his team ahead.

A short time before there had been a dispute over a decision by Umpire Bierhalter.

KITTY LEAGUE TO START SEASON

Madisonville, Ky., April 7.—Kentucky, Owensboro and Madisonville, Ky. The league was formally organized here today, and a hundred-game schedule was adopted.

The season will open May 23 and close August 23.

Centrals	11	3	.786
Bigelow	7	6	.538
Bear Cats	7	6	.538
Rexalls	7	7	.500
Grays	5	7	.419
Trinity	3	11	.214

Thursday's Scores
Trinity, 6; Centrals, 2.
Bigelow, 9; Grays, 5.
Bear Cats, 4; Rexalls, 2.

Centrals Lose To Trinity
The Trinity's, by superior team work and basket shooting, won over the Centrals Thursday night in a close game 6 to 2. The Trinity boys got a good start, scoring four of their points in the first half, and holding the Centrals down without a single tally. Each team scored 2 points each in the last half. The score:

Trinity: Backus, RF; H. Lining, O. Wolf, LF; Haubert, C; Wright, Schirman, RG; F. Lining, Sheridan, LG; E. Wolf, LF; Monk, Field Goals—Face, I; O. Wolf, 1; Sheridan, 1.
Reference—Wagner.

Bigelows Go In Second Place
The Bigelows showed into second place Thursday night when they defeated the Grays 9 to 5. The game was full of thrills and the excitement intense. The first half closed in a tie, 5 to 5. The fast work of Mohl and G. Lakeman in the second half put the game on ice for the Bigelow boys. The Bigelows are now tied with the Bear Cats for second place, next Tuesday night when they will decide which shall hold this position. The score:

Bigelow: Backus, RF; H. Lining, O. Wolf, LF; Haubert, C; Wright, Schirman, RG; F. Lining, Sheridan, LG; E. Wolf, LF; Monk, Field Goals—Face, I; O. Wolf, 1; Sheridan, 1.
Reference—Wagner.

Sheridan Wins For eBar Cats

The one big game of Thursday night was the Bear Cats-Rexall game. The teams played to a tie when the whistle blew for time in the last half. An additional 5 minutes was allowed and still they remained tied. Another five minutes was allowed when Sheridan caged one and won the game for the Bear Cats 4 to 2. It was a remarkable game in many ways, and a shock full of interest from start to finish. By winning this game the Bear Cats showed the Rexalls to third place while they mounted to second place in a tie with Bigelow. The score:

Bear Cats: Backus, RF; H. Lining, O. Wolf, LF; Haubert, C; Wright, Schirman, RG; F. Lining, Sheridan, LG; E. Wolf, LF; Monk, Field Goals—Face, I; O. Wolf, 1; Sheridan, 1.
Reference—Wagner.

Next Tuesday's Games

The following games are Trinity vs. Grays.
Bear Cats vs. Bigelow.
Rexalls vs. Centrals.
Second place honors will be practically decided after these games are played off, and they will be watched with a great degree of interest. The centrals have already clinched pennant honors and their trophy will be presented in the near future.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, O. Office Phone 50.

Question she may ask, when restoring anything she may have dropped, when doing her some slight service, and when a woman under his escort receives some courtesy from a stranger. He should also remove his hat on entering an elevator, if there are any ladies in it.

Dear Dolly—Will you please tell me what name this is: Leonzio La Porta. Is it Greek or Hungarian. Will thank you very much for an answer.

WANT TO KNOW.
I should say it was Spanish, but I can't quite make it out. La Porta means "the port."

Dear Miss Wise—When taking a girl to lunch after the theater, whose place is it to order? If the girl doesn't know how to order, then should the man do the ordering?
P. M. A. KID.

After consulting the girl's wishes, the man should give the order to the waiter.

Dear Miss Wise—I am troubled with perspiring feet, and it is most disagreeable, because the feet so often have a bad odor. What can I do?
JOE.

Put your hose to soak daily in a saturated solution of boracic acid. A fresh pair of socks should be put on every morning. The shoes also should be changed frequently, so that they will have an opportunity to be aired. At night bathe the feet with lukewarm or cold water and follow the bath with an alcohol rub.

Dear Miss Wise—I was just wondering if you would be so kind as to explain in your column what a person is supposed to do when they attend an "at home." Should they just go in and sit down, or stand up, or what?

WANT TO KNOW.
The first thing to do is to hand your card to the servant who opens the door. If your card is not taken at this time, you can leave it on the hall table as you go out. The next step is to enter the drawing room and greet your hostess, who will introduce you to any other guests who happen to be present, unless there be a large number of them, in which case she will probably introduce you to the persons nearest her at the time. After chatting for a few minutes and accepting of refreshments, you may depart, having taken leave of the hostess and any other person, or persons, who are near you.

Easy Way to Get Rid of Itching

Don't worry any more about that itching skin trouble. Just get a jar of Resinol ointment and a cake of Resinol soap at any drug store. With the Resinol soap and warm water bath the affected parts thoroughly, until they are free from crusts and the skin is softened. Then very gently, spread on a thin layer of the Resinol ointment, and cover with a light bandage. If necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Choosing Your Shampoo Soap

If you select a soap that contains soothing, healing properties like the Resinol balsam in Resinol soap, you are not likely to have trouble with dandruff, loss of hair or itching scalp. And for the youngsters' heads.

Staeble's Special Toric Lenses

One thing is certain. If there is a fault in your eyesight you cannot begin to have it remedied a single minute too soon. It will certainly get worse if permitted to continue—but glasses will probably stop it at the point which the error has attained when you begin wearing the glasses. Wear our Special Toric Lenses. They are sure to give you comfort.

TIMES SERVICE PATTERN

1596

A SIMPLE, PRACTICAL STYLE
1596. Ladies' House or Morning Dress.

In linen, khaki, gingham, seersucker or percale, this style will be most serviceable. It is made with overlapping fronts, and round neck outline, and has a four-gore skirt cut in comfortable fullness. The sleeve in wrist length is finished with a band cuff. In short length a neat turnback cuff forms a suitable trimming. The model could also be developed in serge, flannel or flannelette, and is nice, too for lawn. The pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. It requires 6 3/4 yards of 36-inch material for a 36-inch size. The skirt measures about 3 yards at the lower edge.

A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

CAUTION—Order adult pattern by number of pattern, giving bust measure for waist patterns, and waist measure for skirt patterns. For Misses and Children give number of pattern and age only.

HEAT FLASHES, DIZZY, NERVOUS

Mrs. Wynn Tells How Lydia E. Pinkham's Vegetable Compound Helped Her During Change of Life.

Richmond, Va.—"After taking seven bottles of Lydia E. Pinkham's Vegetable Compound I feel like a new woman. I always had a headache during the Change of Life and was also troubled with other bad feelings common at that time—dizzy spells, nervous feelings and heat flashes. Now I am in better health than I ever was and recommend your remedies to all my friends."—Mrs. LENA WYNN, 2812 E. O Street, Richmond, Va.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Such warning symptoms are a sense of suffocation, hot flashes, headaches, backaches, dizziness, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness.

For these abnormal conditions do not fail to take Lydia E. Pinkham's Vegetable Compound.

Careful Ohio Mothers Stop Dosing Children for Colds

Instead of Internal Dosing, which Injures Delicate Little Stomachs, They are Now Using Plenty of Fresh Air in the Bedroom and a Hot Application of Vick's Vap-O-Rub at the First Sign of Trouble.

Cincinnati, Columbus and Dayton Mothers Report Results Following Trial of "External" Treatment.

Careful mothers everywhere have long realized that little children should be dosed as sparingly as possible. Croup and cold troubles must not be neglected. This problem has been solved by those Ohio mothers who have tried the Southern treatment—Vick's Vap-O-Rub Salve. You just apply this over the throat and chest, and cover with a warm flannel cloth, leaving the covering loose around the neck, as the body heat releases the ingredients in the form of vapors. These medicated vapors are inhaled, with each breath, all night long, opening the air passages and loosening the phlegm. Vick's is much quicker than internal medicines, but the best part of it is that it is absolutely harmless, and can be used with perfect safety on the smallest child, as often and as freely as wished.

CINCINNATI, OHIO, Mrs. Fred M. Callahan, 1929 St. Gregory St., writes: "I have four sons, aged from sixteen months to seven years, and find

that your Vap-O-Rub has done them a world of good, in relieving attacks of croup and colds. My sister, who is subject to catarrh, gets better relief from your remedy than from any other she has used."

COLUMBUS, OHIO, Mrs. F. B. Hinde, 801 Bellows Avenue.

"We have used your Vick's Vap-O-Rub Salve on our baby, and we can recommend it to anyone who will give it a trial. It has saved our child from having a bad case of pneumonia."

DAYTON, OHIO, Mrs. W. E. Callom, 1314 Wayne Ave.

"Vick's Vap-O-Rub Salve is all that you claim it to be. We used it on our four year old daughter to break up a cold that had been running two months, and had seemed to defy two of our best doctors. I shall use it in all future cases."

The above are just a few of our many letters from Ohio people who have found Vick's Vap-O-Rub the ideal home remedy. Three sizes, 25c, 50c or \$1.00, at all druggists.

YOU CAN ALWAYS DO BETTER AT HORCHOW'S

Refrigerators are not a luxury, they are a necessity for every household

There are many things that one must consider when buying a Refrigerator

1. Will it keep food stuffs clean, odorless and pure?
2. Is the Refrigerator constructed scientifically and made honestly?
3. Will the Refrigerator give the best service with the smallest expenditure of ice?

Our Refrigerators are so constructed that the constant air circulation keeps the air cool and pure, removes all odors that emanate from food stuffs and causes a dryness in the Refrigerator that even matches kept inside will prove ready for use at any time.

The linings in our Refrigerators are of such other materials which will keep your ice for a longer time than any other box at the same price.

We especially recommend to your consideration the

AUTOMATIC-WATER-BOTTLE-REFRIGERATOR

which will furnish you with cool fresh drinking water without any extra expenditure of ice.

BOARD RECOMMENDS SALE OF THE CHILDREN'S HOME SITE; COUNTY OFFICIALS ARE FAVORABLE TO PLAN

Following the report of C. V. Wilkins, director of the Children's Welfare Department, upon the condition of the Scioto County Children's Home, in which, he termed the institution as "inadequate," the Board of Trustees of that institution and the county commissioners held a joint meeting at the court-

house Thursday afternoon to discuss plans for a new home. The trustees verbally recommended that the commissioners sell the present site and use the proceeds to purchase a new tract of land and erect a modern home.

"I would recommend that the commissioners get a location outside the city," said George D. Solby, president of the Board of Trustees, near a good school and a church, which would not be too expensive, and build a modern children's home from the proceeds received from the sale of the present site.

"We are ready to do anything for the home recommended by your board," replied President Thomas Watkins, of the county commissioners. "But we would want you to send a written recommendation."

Mr. Solby, after a short conference with John Peables, the other member of the board present, stated that he would call a meeting at once and forward the recommendation to the commissioners.

Shortly after the meeting convened, George Thompson, special

representative of the State Auditing department, was asked to give the members a brief report upon the financial condition of the institution. Mr. Thompson said that the February tax distribution amounted to \$2507.27. At the time it was warranted to the home, an overdraft of \$632.17 was recorded on the books. "But this figure is entirely wrong," declared Mr. Thompson. "In March, 1913, the commissioners illegally transferred \$3,000 from the Indiana fund to the Children's Home fund. With the February distribution expended, the overdraft and the transfer mentioned, the home fund is overdrawn by about \$6,000."

Mr. Thompson said that he had been sent to Portsmouth to make a thorough examination of the books. Upon completing his work the examiner will submit a report of his findings to the Attorney General, who will devise a plan, if it is feasible, whereby the commissioners will be allowed to borrow sufficient money to pay all overdrafts which amount to about \$10,000. The auditor's office will then be placed upon a cash basis.

Mr. Solby declared that the home under the supervision of Frank M. Baggs, was the most economically managed institution in the state, and added that something would have to be done at once to relieve the situation in the present building.

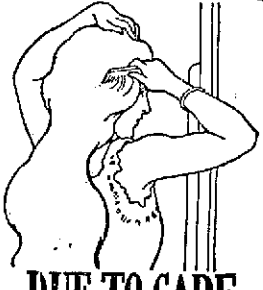

"We face this situation," said Mr. Solby, "we will either have to build a new home or spend considerable money on repairing the old one. I do not believe it would be a good policy to spend any more money on the present home for it is entirely inadequate."

"To place the building in any sort of shape at all, the roof would have to be raised and the whole building remodeled. It would cost at least \$10,000. The only plan I see is to dispose of the property, which I consider the most valuable

piece of real estate in the city, and use the money obtained to purchase a new site and build a modern home. A good many would regret to see the grounds sold. Several advocates that it be preserved for park. But what are we going to do? We need a new home, and need it immediately, and the only way we can build it is to dispose of the present site."

The commissioners then asked Prosecuting Attorney Joseph T. Micklethwait what procedure would be necessary for the board to take in disposing of the home property, and

he said that they could sell at their own volition, but did not believe they could subdivide the tract and place it upon the market. Opinions upon this phase of the discussion differed; some thought that the commissioners could sell it as a whole or subdivide it.

The prosecutor advocated preserving the tract and using it as a park. He said that the county could legally move the fences back at any time and use the ground for a park. "From a historical standpoint, that old Indian mound should be preserved for a park," contended the attorney. "Under the provisions of the statutes of Ohio, the home is only a temporary home, anyway. The children are cared for there while the trustees are finding them a permanent home. If it is necessary to build a new home, why not set aside a certain portion of the tract for the new building and convert the rest into a park."

"The way the home is built," asserted Mr. John Peables, "it is absolutely impossible to remodel it so that it will be an adequate place. The help situation is critical. There are too many stairs to climb; too many out-of-the-way places. The high ceilings are hard to keep clean. The entire building is so arranged that it will be impossible to keep the sex separated as they should. To repair the dilapidated building will require an expenditure of \$10,000. This sum would go a long way toward a new building. We have got to have a new place and we should act quickly."

Judge Thomas advocated the sale of the property, saying that it was entirely too valuable a piece of real estate to reserve to home purposes. He suggested that the board select a site out in the country.

From the attitude displayed by the trustees and commissioners at the meeting, the Children's Home site will probably be sold and the proceeds used to purchase a new tract of land and build a new home.

Two resolutions were passed by the commissioners. One was to ask the State Board of Health to make arrangements to distribute diphtheria anti-toxin to indigent persons. The other was instructing the prosecuting attorney to petition the common pleas court for permission to transfer \$3,263.18 from the dog fund to the Children's Home fund, which is overdrawn \$1,112.21.

200 RECRUITS GO THROUGH

THEY REFUSE TO EAT

At periods in most children's lives they fail to relish their meals and refuse to eat even the delicacies prepared to tempt their appetites. They lack ambition, and growth seems impeded, which causes anxiety and worry.

To compel them to eat is a grave mistake, for as nutrition is impaired, healthful exercise in fresh air and sunshine is important, but equally important is a spoonful of Scott's Emulsion three times a day to feed the tissues and furnish food-energy to improve their blood, aid nutrition and sharpen their appetites.

The little concentrated medicinal food in Scott's Emulsion supplies the very elements children need to build up their strength. They relish Scott's—It's free from alcohol.

BOY KNOCKED OFF N. & W. CAR, FALLS BENEATH WHEELS, BODY CUT IN TWAIN

Iranton, Ohio, April 7.—Almost instant death was the portion of Paul Each, son of Mr. and Mrs. Joseph Each, of Coal Grove, Thursday evening, when he fell beneath an N. & W. freight train, a short distance above the water tank near the end of the traction line. His body was cut in twain, the wheels passing over him just above the waist and mangle him horribly.

Coroner O'Neill was summoned and after viewing the remains Gholson and Sons took them in charge to prepare for burial.

Young Each was about 12 years of age, and came to Coal Grove only a short time ago, his parents moving there in order to be near Mr. Each's work at the Petersburg Firebrick Company, from Sheridan. They reside in one of the small log houses that stands in a lane just below the John Peters residence.

It is understood that it was while searching for coal that young Each mounted to the top of the train. He was knocked off a car when Engine 1442, a Mallet, which had been taking water, backed into the cut of cars. The boy was knocked off the car and fell beneath the wheels.

Tooth Loose? Watch out for Pyorrhea!

When you find a tooth that gives back and forth, even just a little, see your dentist at once.

He will find conditions which you might overlook. He will find a gum recession, even though slight, where the gums have pulled away from the teeth. And he will tell you that you have the dread disease pyorrhea.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senecio Tooth Paste. Senecio combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

Start the Senecio treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senecio of your druggist today, or send 5c in stamps or coin for sample tube and folder. Address: The Senecio Remedies Company, 501 Union Central Building, Cincinnati, Ohio.

LIEUTENANT GOVERNOR ARNOLD WILL BE HERE TONIGHT

This evening at 7:30 o'clock the Junior Order United American Mechanics band will accompany the reception committee for the big annual "Home Coming" which will be held by the Portsmouth Council No. 38 Friday evening, to the Norfolk and Western depot where they will meet Lieutenant Governor Jack Arnold and escort him to the hall. The distinguished visitor, who is a member of the Columbus Council, will deliver the principal address. His subject will be "Free Text Books."

Final arrangements for the "Home Coming" were made Thursday evening at the regular meeting of the order. Three hundred visitors are expected to attend the exercises. All members and former members were invited to attend the entertainment.

A splendid program has been prepared and the two main addresses will be delivered by Lieut. Gov. Arnold and Rev. Charles R. Oakley. It will be interspersed with selections of music.

The Junior Order band members received their handsome new regulation military uniforms Thursday evening and will wear them for the first time this evening.

Three applications were received and one was balloted upon. Shirley Ruel was elected to membership.

The committee on arrangements is composed of: Irwin Bowser, Wm. West, Alvin Cowan, Owen Hopkins and C. B. Groninger.

Y. W. C. A. EXHIBITION AT THE HIGH SCHOOL TONIGHT

Tonight, at eight o'clock, in the high school gymnasium, parents and friends of the young ladies and girls and small boys who are taking weekly gymnastic lessons from Miss Edith Brittain will be given a chance to see what results are accomplished in the physical educational work, when a big physical educational demonstration will be given under the direction of Miss Brittain and Miss Marjorie Persell. Under Miss Brittain's teaching are Y. W. C. A. girls, high school girls, grammar school girls, grammar school boys and Kindergarten pupils, and all have a part in the program.

The pupils were put through their final practice Thursday evening and everything is in readiness for the demonstration, which is the first of the kind to be given in the city. As extra attractions there will be selections by the high school orchestra, Miss Harriet Scarff, director.

On the program will be a Dutch dance, in costume; two demonstrations by the Kindergarten pupils; the Indian dance, which originated with a schoolmate of Miss Brittain; the wreath dance, with garlands of roses, all participants wearing Grecian costumes; the Irish dance, all attired in Irish costumes; the Scotch dance; aesthetic dances, including the Garden and Spring dances; an arrangement of Miss Brittain; the Swedish gymnastics demonstrating the corrective part of the educational work. This demonstration is of vital interest to all parents, and all should be on hand tonight.

FAIRBANKS IS WILLING

Indianapolis, Ind., April 7.—The thirty Indiana delegates who are pledged to go to Chicago in June and vote for Charles W. Fairbanks as long as his name is before the Republican National convention, called on Mr. Fairbanks at his home here yesterday and gave renewed assurance of their allegiance. They were led by Will H. Hays, state chairman, and accompanied by James E. Watson and Harry S. New, nominated for United States senator, and others.

"This is a little trying, my friends," Mr. Fairbanks said, "and I am glad you have come in this informal way, for now we can talk informally. I am glad you have come as friends in a common cause, that of Republican success. Our Democratic friends, with that ability which amounts almost to genius, have involved the nation in troubles that the Republican party and its same policies only can eliminate." He said that if the Republicans of Indiana decree that he go before the Chicago convention, he would answer the call.

LECTURE COURSE CLOSES. WAS SPLENDID SUCCESS

Portsmouth high school's 1915-16 lecture course of nine numbers with the Appolo Concert company came to a close Thursday evening rendering one of the best musical programs ever heard in Portsmouth.

Prof. Clark Fullerton, principal of the high school, before introducing the entertainers, announced that this year's course had been a financial success and that a sum had been cleared that will allow for the purchase of close to two hundred more volumes for the high school library. The course this year cost \$1225 for talent alone, the highest priced lecture course ever given Portsmouth people, he stated.

The concert company won instant favor by their introductory selections on the Apollophone, a specially constructed instrument, having all the musical possibilities of the Steinway Grand piano. Miss Harding as a reader made a decided hit by her first selection and had to respond to five encores. All members of the company were splendid musicians.

Arbor And Bird Day Will Be Observed

By a proclamation issued by Gov. Frank B. Willis, April 7, has been dedicated as Arbor and Bird day. The object of this day is to stimulate interest in the trees and birds.

On this day the school children throughout the state will fittingly observe the approach of spring by having special programs. Topics abounding with examples of what is to be accomplished by preserving the forests and the song birds will be given. Besides having programs, the children will plant trees and flowers and shrubs to beautify the landscape. Bird houses built in the manual training departments will be placed in trees.

The school children of Scioto county will be given small trees, flower seed and slips from growing shrubs to plant. These will be set out in school yards and around the homes of the children to flower and bloom for all.

JUST ABOUT WAR AND WARS

Sagely and convincingly the Dayton News points out that once a war is afoot, no matter how small its beginning and clear its purpose, there is no telling to what extent it may spread, nor what will be its eventual results. Our punitive expedition into Mexico, after the bandit Villa, isn't war with that country; neither is the campaign that the traveler builds by the wayside a configuration. But comes a vagrant puff of wind, a spark is carried into dry leaves or brown grass and red, roaring fury drives through the forest and over the prairie. It behooves the people to not only be patient, but extremely prudent lest the complication across the border reach lengths never intended nor desired.

When Austria declared war against Servia, for the murder of a princeling, we, boasted smartest people on earth, rather jocosely looked upon it as a terrier provoking the mastiff to action, and predicted a campaign of a day or so. Today, Belgium, the sweetest, gentlest of all lands, has not a government to so much as sit amidst her ruin and desolation; France, fair gay France, with silent madness born of desperation, is making sacrifices she was never thought capable of; Germany, princess of prudence and preparation, finds herself shorn of all her foreign possessions and her people forced far beyond even their habit of economy and denial; Italy is fighting her old friends and making sorry spectacle of it; England, proud mistress of the sea, froths with more or less impotency as her great merchant marine is daily shattered and torn by submarines and is fighting on land as she never fought before; Bulgaria, departing from all traditions of race and history, alone of the Balkan nations is in the fray; and Rumania and Greece are neutral because they are not certain which way to jump. All this, with far more to follow, from a campaign, that at its inception, appeared of no vaster consequence than the jaunt over the line the boys in blue have been on for now a matter of two weeks.

SUNG A DIFFERENT SONG

The proverbial habit of farmers to make doleful predictions as to crop outlook is well known, the actual prospects being never considered. We had an amusing illustration of this two or three days ago. A gentleman, who is considerably interested in farming was in our office and, of course, we inquired as to the prospects for wheat. "Mighty poor," was the response, "I am afraid the yield is going to be terribly short; never saw it looking worse." "Why, that's strange," we said, "Over in the northwest never saw wheat looking finer. It has stood well and has a beautiful color, while its lack of rank growth would seem to make the chances of it getting through some cold spells we might yet have altogether better." "Yes," he came back, "I guess you are right about that. I've got the best stand I ever had at this season and it certainly does look good out my way."

"Oat plants are hardy and vigorous and grow well on the poorer types of soil. Almost any tillable soil will produce a fair crop with proper culture and favorable weather," says Earl Jones, Professor of Agronomy in the Massachusetts Agricultural College, in American Farming, Chicago. "On the thinner soils an application of 200 pounds of fertilizer per acre would be advisable. If grass and clover are to be sown with the oats heavier applications of fertilizer may be desirable. The value of oats per acre is not large enough to justify large expenditure in growing the crop, but oats respond to treatment as well as other crops."

A New York judge the other day told a woman, applying for a divorce, that she should not expect a man to be perfect, adding that a "perfect man or perfect woman would be an intolerable nuisance." If every woman was granted a divorce because her husband was an imperfect man, there would be thousands of grass widows in this old world, for we never knew a perfect man, and, while on the subject, we recall that we never have known the perfect woman, either.—Charleston (W. Va.) Gazette.

FROM NEITHER ANGLE

Robustness and patriotism do not keep common company with each other, at least not here in Ohio. For the first five days that stations were opened to furnish the state's quota by which the standing army is to be increased, enlistments reached the pitiful total of 34. The total applying for enlistment was 115. Thus it will be seen more than three out every four were deficient in a physical, mental or moral sense, making it apparent that we have a most unusual number of derelicts in the state, or the bold, red badge of fighting courage is to be found three to one in the lame, the halt and the blind as against those sound in limb, mind and morals. Anyway you choose to look at it there is not altogether a pleasing and proud situation presented. Now, if the country needed and called these willing to sacrifice themselves for the country's good by holding office, where a peace, such as Bryan dreams, reigns as secure as the Roosevelt brand of preparedness would guarantee, to be sure there would be no such shameful laggardness on the part of us Buckeyes. Each and everyone would be trying to get his name first on the pay roll. That's where we all like to shine and do at every half opportunity.

LAUGHTER IS MEDICINE

It is nothing new to be informed that laughter is good for the health. The expression "laugh and grow fat" is older than most of us suppose. The advantages of a sunny disposition is well understood by the physicians. But here comes a doctor prescribing laughter instead of medicine, and assuring us that mirth is more healing than drugs. We do not doubt the word of the doctor. They are a wise lot, and all of us might live to be a thousand if we could follow the advice of the pill prescribers. But just how a fellow is going to administer the prescription, we do not know. Certainly it is going to be hard for a man to laugh when he awakens next morning with a splitting headache, even if he knows a good laugh will drive away the pain. Or, doubled-up from colic, how is the baby going to be made to understand that all it has to do to gain relief is to gurgle pleasantly? The fellow with good health is generally in a good humor, and laughs a great deal, as he has a right to. But whether he has good health because of his happy disposition, or has the happy disposition because of his good health, has never been determined. Perhaps the doctor is going around the wrong way. It may be that he should prescribe good health as a means of promoting laughter, rather than prescribing laughter as a promoter of good health.—Dayton News.

Among other calamities that overwhelm us a molasses famine is said to be impending. That will seriously affect the restaurant buckwheat foundries.

WHY WE "CATCH COLD"

A cold is a serious thing; it is not due to exposure; we rarely get entirely well of it, and we do not "catch" it, says Dr. Julian Clarke in Farm and Home. Colds are now known to be due to a germ. When we get a cold it means that the cold microbes have gotten into our nose and throat and have found a suitable place in which to grow and multiply in the mucus which is given off by these tissues. When our body is in prime physical condition this mucus covering of the nasal membranes does not afford the germs a suitable food and harbor for development. In other words, the normally resistant membranes of the nose and throat have the power to destroy these, and other kinds of germs, before they acquire a foothold within the deeper tissues.

Exposure is not the cause of "catching cold." Many people get colds while indoors, attending public meetings, and in overheated houses; while the multitudes, often very poorly clad, are out in all sorts of weather with impunity, and yet do not take cold. A stuffed-up, weeping nose has heretofore been a joke, rather than a cause for alarm. In the long ago a treatment for colds of the head was "to hang one's hat on the bed post and to drink whisky and water until you saw two hats." In more recent times it was quinine and nauseous teas, with close confinement in an overheated living room, where the whole family was obliged to swelter during the evenings. An open window, or the least bit of fresh air, was thought to be sure to drive the trouble down into the lungs, with the danger of pneumonia and consumption.

We are learning that the best treatment for the ordinary cold of the head is to supply the system with nourishing, easily digested food, and an abundance of fresh air, at the same time cleansing the nose and throat with mild washes, and the gastro-intestinal tract with active purges. In colds of the throat and chest this fresh air treatment is also advisable, making sure that the body is well protected from the chilling winds, and the feet kept warm and dry.

Truly these do be troublous days for the patriots swept into office from Scioto county on the Willis wave. Art DeVoss has been having one dickens of a time hanging on by his eyelashes to his job; Joe Cross, after a sweet time of harvesting in the golden shekels with his family on the pay roll is to be investigated and reports say, may not be reappointed; Elmer Odino, after a brief and dazzling career in the automobile department is out in the cold and cruel world, minus a job; George Ditty is said to be doing some ball watchful waiting for something that may happen to him; and even George Kellar is on the anxious seat. Why is this thus, say we? What is our good young governor doing to Scioto county's best and bravest?

Several farmers have been talking about entering The Times corn growing contest. It is a good time for action.

Franklin P. Adams tells a story of reporter on one of the We Print The-News-While-It-Sizzles papers, who overslept the other morning, having attended a Boilemakers' ball or some other function the night before.

It was along about noon when he arrived at South Ferry on his way to cover news of the day for his paper. To make himself solid with the boss, however, he called up the city room, and in a few well chosen words assured him he was on the job.

Just then the departing ferryboat gave three shrill whistles, and the man in the city room inquired sweetly: "When did they move the Court House down to the Battery?" Get us a column on it. It will be quite a feat. And then the unfacing scoundrel hung up the phone.

The man who chauffeurs the truck for the first page form of the New York Times tripped on his way to the stereotyping room the other morning—and the first page was a jingle-jumble of "pi." The man ran out of the building and the Times issued a first page ad for him to return and take his job back. Thus far he has not been heard from, and if he continues the piece he set at the start he is no doubt somewhere in California. Many years ago a printer fell down stairs with a form on Park Row and never has been heard from.

My Love Story.
A lady of sagacity and beautiful audacity once had the pertinacity to ask me, at her door: "If I can find a minister who not bold or sinister—why should I stay a spinster—and you a bachelorette?"

It was not time for pattering or stammering or stuttering, and so I hastened, uttering as fast as I could speak:

"Had I a home colonial, with furnishings baronial, I might feel matrimonial—but not on six a week."

She laughed and said quite cynically: "Well, you're the very pinnacle of everything that's finical"—but I said nothing more.

And thus we found no minister, and I moved off to Elmshire, and she is still a spinster, and I'm a bachelorette.—Richmond (Va.) Times-Dispatch.

AMERICAN DIRIGIBLE ESCAPES MANY DIE ON TROOP SHIP

HIGH WIND AIDS IT IN FLIGHT; AEROPLANES TO BE USED IN AERIAL PURSUIT OF RUNAWAY

Mobile, Ala., April 7.—A telephone message from Pensacola, Florida, early today said the navy's new dirigible airship broke from its moorings at the naval station there this morning and is being driven westward by a high wind. Plans are being made to pursue and capture the runaway airship with aeroplanes. The dirigible, the largest ever sent to the gulf coast, was to have been used for military observation purposes. It is said to be worth between \$50,000 and \$60,000.

AMERICAN TROOPS ARE NOT TO BE WITHDRAWN

ORDERS NOT TO CHANGE CABINET TO CONSIDER U-BOAT QUESTION

Washington, D. C., April 7.—All evidence at hand regarding the destruction of the British channel steamer Sussex and scores of other merchant ships, some carrying American citizens, was assembled at the state department today for presentation to the cabinet. The president and his advisors were expected to consider all phases of the situation.

The evidence includes reports of American naval attaches containing the statement that metal fragments of a German torpedo were found on the Sussex. The reports are regarded here as positive proof that a German submarine attacked the Sussex in direct violation of assurances given the United States by the Berlin government.

Colonel E. M. House, who is a White House guest, is conferring with the president and cabinet members regarding the situation.

The number of neutral vessels sunk recently engaged the attention of officials today. Unofficially, it is said that over twenty neutral ships and more than twenty-five belligerent vessels have been torpedoed within the last two weeks, most of them without warning.

It is stated authoritatively that no definite step will be taken by the United States until the German foreign office has replied to inquiries made by Ambassador Gerard.

TRANSPORT IS SUNK

London, April 7.—An Athens dispatch to the Daily Mail says that a telegram has been received from Preveza to the effect that a large transport belonging to the Entente Allies has been sunk off the west coast of Greece. The telegram added that it was believed many were lost.

MURDER CASE N. Y. C. STRIKE READY FOR MAY SPREAD THE JURY

New York, N. Y., April 7.—The case against Giuseppe Archibello, the first of four men put on trial for the murder of Barnett Baff, a poultry dealer in November 1914, awaited only the judge's charge before submission to the jury today. Baff had incurred the hatred of some of his business rivals who are alleged to have contributed to a fund of \$4,500 to pay for his murder. He was shot down as he was leaving his place of business by men who fled in an automobile.

The prosecution charges that the murder fund was distributed by a man who made a specialty in employing gunmen to commit murder and who was subsequently killed in a dispute over the distribution of a murder fund.

SENATE LEAVES VOLUNTEER PLAN IN THE ARMY BILL

Washington, D. C., April 7.—With the federal volunteer army plan of the army reorganization bill out of the way after one of the most strenuous fights of the present congress, the senate resumed work on the measure today, confronted with prospects of other contests to follow over certain sections.

Final action on the volunteer provision came late yesterday when the senate voted 38 to 34 to retain the provision in the bill, thereby rejecting an amendment by Senator Lee, of Maryland, to eliminate it. The vote was reached at the end of four days' debate, during which charges of lobbying on the part of national guard organizations against the provisions were made.

Possibly the volunteer measure may be stricken out when the bill emerges from the conference of the senate and house is seen in the close margin by which it was retained. An analysis of the vote in the senate shows that nineteen Democrats and seventeen Republicans voted for the provision. But for the support of the Republicans, the Democrats would have voted to eliminate the provision. The next contest is expected to come over efforts to incorporate in the bill a provision requiring the training of students of the county as a reserve force.

BRITISH SEIZED HERRING

Copenhagen, via London, April 7.—The Swedish steamers Hakan, Hera and Olof, with herrings to Germany, have been seized by British warships. Their cargoes are valued at \$1,000,000.

CHICAGO CHINESE FACING MILK FAMINE

Chicago, April 7.—The situation in the milk war in Chicago, in which 10,000 producers in the Chicago region are demanding of the distributors in the city \$1.55 a hundred pounds for milk during the summer months instead of \$1.33 1-3, the present price, today assumed a more acute aspect. Developments in the situation came fast yesterday, after the consumers in Chicago and suburbs were really hit by the shortage. Many stores and delicatessens were cut off from supply yesterday and deliveries to private families in many cases were cut down materially.

Indications from the country are that the farmers will effect a still more complete tieup today, it is said.

TO START CAMPAIGN AGAINST LYNCHING

Birmingham, Ala., April 7.—An aggressive educational campaign against lynch law in the south is to be undertaken immediately by the new association of southern church colleges.

This organization, composed of representatives of 18 southern institutions, was formed here last night with the election of officers headed by Dr. C. M. Bishop of the Texas Presbyterian College. It will have the moral support of forty southern educational institutions. The avowed object of the association, according to its organizers, will be to conduct an active campaign against lynch law.

STRAIGHT SHOOTING OF DESPISED AMERICANS SURPRISE TO MEXICANS

Columbus, N. M., April 7.—Proof of the "marksmanship" of American soldiers has done more than any other development of the campaign in Mexico to strike fear into the hearts of Villa's followers. The straight shooting done at Columbus, that of the little detachment that pursued the bandits across the line after the raid, and that at Guerrero and Agua Calientes, was totally unexpected by the Mexicans. It was utterly different from shooting

they had experienced in engagements between factional troops in the five years of civil strife.

Villa's followers had been taught that the Americans were weaklings, cowards who were afraid to match their strength with Mexican forces, a naturalized Mexican living here, said today.

It was at Guerrero that the contrast between the marksmanship of the two forces was demonstrated. There the troopers of the Seventh Cavalry, shooting coolly and steadily, sent almost every bullet to its mark, while General Hernandez followers shot wildly as they ran, nearly all shooting over the heads of the enemy. As a result, it was found that only four American cavalrymen had been slightly wounded, while fifteen times that number of Villa followers had been killed, and as many more wounded.

CHARLESTON DEFEATED AT TEN PINS BY MAJORITY OF 192

Locals Get Fine Start In Inter-City Series, Big Crowd Was Out

Portsmouth experienced little trouble in defeating the crack bowling team from Charleston at the Play House alley Thursday night, winning the three game match before a crowded lobby by a majority of 192 pins. The visitors were away below form in the first two games, which the locals won without difficulty. However, the West Virginia side came back strong in the last game, thanks to the high scores made by Bastian and Callaghan, scoring 247, the biggest total of the evening.

A more gentlemanly lot of players than the visitors ever faced the head pins, and the contest, while exciting at times, passed off without the slightest wrangle. Plenty of on-lookers was shown and it really looks as though the ten pin game had again come into its own, so far as Portsmouth is concerned.

Before the game the locals had hoped to ring up not less than 2700, but owing to numerous splits, super-induced by misses and cherry-picking, the hoped-for result was not obtained, the total being 2679. Charleston totaled but 947, not getting "set" until the last game.

Walters, anchor man for the locals, was high man, with 577, Malavazos being second, Wilhelm third, Prediger fourth and Sheridan last. Cracking too square into the king

pin kept down the scores on both sides. The visitors, however, lost their chances of winning by making too many errors. They are good strike bowlers, but it seems their weakness is in making spares.

After the game the Charleston boys and the Play House Five were turned over to the tender mercies of Manager W. N. Gableman. A local restaurant was visited and even the menu cards were devoured. The visitors spoke highly of the treatment accorded them and declare they, too, will do the handsome when the locals visit them on April 28.

The scores:

Portsmouth	Charleston
Sheridan.....161 160 176	Ellison.....123 188 101
Malavazos.....189 203 178	Bastian.....154 127 220

Duffy After Match

Jimmy Duffy, one of the best lightweights in the business, has written to Promoter Kieffer for a fight in Portsmouth. Duffy will be accommodated providing that a worthy opponent can be found for him. During the winter months "Red" Whalen, who at one time was one of the best, all around players in the Ohio State league, is one of Duffy's seconds.

Nick Carter Sent To Hoosier Club

Cleveland has turned pitcher Nick Carter over to the Indianapolis team in the American Association. Nick has the goods and his friends here are confident that after winning a few games in the A. A. he will be back in the American league. Carter graduated from the ranks of the Ohio State league, it being conceded that he was one of the best twirlers in the O. S. while a member of the local team.

To Fight In Youngstown

Youngstown, O., April 7.—Joe Chip, of New Castle, Pa., and Knockout Brennan of Buffalo, have been matched to box twelve rounds here on Wednesday night, April 12. Articles call for 155 pounds weight.

Turns Down Offers

Chicago, April 7.—Jess Willard was deluged today with a flock of offers, totaling \$9000, just for his appearance, either as a referee or as an actor. The big fellow turned them all down. "The wife is sick, and I want to stay home for awhile, anyhow," said Jess. "The offers come from Toronto, Buffalo, Boston, Toledo and New York."

SEES INDIANS FLAG CONTENDER BY 1918

Jim Dunn.

"Give me three years and I'll give Cleveland a team of championship caliber—I promise the fans a team that'll make it interesting this year, a better team next year, and a ball club that'll be fighting for the flag year after next." So says Jim Dunn, the new president of the Cleveland Indians.

WHITE WON FIGHT

Kansas City, April 7.—Charley White, the Chicago lightweight, was awarded the decision over Matt Wells, English lightweight champion, in a 15 round bout here last night.

Toledo Club Go To Springs

Toledo, O., April 7.—The Toledo base ball club will leave Dawson Springs, Ky., today on its trip north. A series of four games will be played with the Springfield-Ohio, Central League Club, beginning Saturday.

Wants Games In Ironton

Ironton, April 7.—Billy Doyle, who conducts a baseball school at Portsmouth, desires games with Ironton baseball teams, to be played here during April and May, or before the Ohio State league opens. Billy declares he will send a strong team here and that a good game could be expected. His offer may be accepted.

Awarded To Boston Club

Cincinnati, April 7.—The National Baseball Commission today awarded the services of player Compton to the Boston National League club. Compton deserted the Kansas City club and signed with the St. Louis Federals.

Not Afraid Of Tinker

We don't know whether Joe Tinker thought he had the 1916 flag sewed up, but it must have been an awful shock to him to realize that National League teams do not cringe at the thought of meeting Federal League champions.

"OLD KENTUCKY" IS RICH AND FRUITY

This Delicious Chew Has the Wonderful Flavor of Choice Burley Leaf

MADE BY MODERN METHODS

If you don't chew tobacco you simply cannot get the full measure of enjoyment out of it.

A good chew, with its juicy richness and appetizing flavor, is an aid to digestion. That means it's beneficial to the whole system. And the best chew is plug tobacco, the closest-to-nature form into which tobacco leaf can be made.

Nature's own sweetness is in every juicy chew of Old Kentucky. You never before tasted such mellow richness—you can't get so much deliciously sweet flavor out of any other chew.

The rich leaf of Old Kentucky is selected, re-selected, picked over by hand, stemmed by hand, pressed into pure, luscious, golden-brown plugs by the most wholesome modern methods.

Try a 10-cent plug of Old Kentucky. You'll find it wonderfully tasty, wholesome and appetizing a rich mellow chew that exactly joins your taste.

BAESMAN HONORED BY CAPTAINCY

Julius Baesman was elected captain for the 1917 Portsmouth High School basketball team at a meeting of the basketball players held Thursday afternoon. Baesman played his first high school games this year. He played center and figured prominently in the victories hung up by the locals this year. Baesman was a pivot for the team work and all plays and made a splendid man and will make a good leader for next season's team. Ralph "Pete" Brandel, small but mighty, was captain of the team this year and leaves the school with a good record, Brandel having played three years. Besides Brandel there will be lost by graduation this year Harry Wagner and William Trone, the star forwards and Evans substitute forward. The remaining regulars for next season are Baesman, Nutter and Shumway. Nutter having played in 1915. Shumway is an all-round guard. Nutter will be shifted to forward from guard. Baesman will be at center, the positions to be filled being one forward and one guard and two substitutes. These will be Wells and Smith will be contending for the positions next year along with several others.

Reds Forfeited Game To Columbus

Columbus, O., April 7.—Columbus was awarded Thursday's game with the Cincinnati National League team, 9 to 4, when Manager Herzog refused to leave the field in the eighth inning.

He was coaching at third base when Mollwitz made a hit that put his team ahead.

A short time before there had been a dispute over a decision by Umpire Bierhalter.

KITTY LEAGUE TO START SEASON

Madisonville, Ky., April 7.—Kentucky towns and one in Tennessee will be embraced in this year's Kitty League circuit. They are Clarksville, Tenn., and Hopkinsville, Henderson, Dawson Springs, Owensboro and Madisonville, Ky. The league was formally organized here today, and a hundred-game schedule was adopted.

BOY KNOCKED OFF N. & W. CAR, FALLS BENEATH WHEELS, BODY CUT IN TWAIN

Iranton, Ohio, April 7.—Almost instant death was the portion of Paul Each, son of Mr. and Mrs. Joseph Each, of Coal Grove, Thursday evening, when he fell beneath an N. & W. freight train, a short distance

above the water tank near the end of the traction line. His body was cut in twain, the wheels passing over him just above the waist and mangling him horribly. Corner O'Neill was summoned and after viewing the remains

Gholson and Sons took them in charge to prepare for burial. Young Each was about 12 years of age, and came to Coal Grove only a short time ago, his parents moving there in order to be near Mr. Each's work at the Peters-

burg Firebrick Company, from Sheridan. They reside in one of the small log houses that stands in a lane just below the John Peters residence. It is understood that it was while searching for coal that

"Del" Miller Is Married, Plan To Keep It Secret Fizzles

Delmar J. Miller, pharmacist at the Miller drug store, Ninth and North Waller streets, and Mrs. Irene Weeks Emerich, were married Wednesday evening, by the Rev. L. J. Hopper, at the United Brethren church parsonage, and have gone to housekeeping in a flat they already had furnished on Eighth street.

They had planned to keep the wedding a secret for a few weeks, and succeeded for a day, but the news leaked out. The wedding ceremony was performed at 8:45 o'clock Wednesday evening, the attendants being Miss Mabel Weeks, a sister of the bride,

and Miss Ethel Titus. Following the ceremony the wedding party went to the costly furnished flat, where a party of intimate friends had gathered. During the evening refreshments were served. Mr. and Mrs. Miller have the best wishes of their friends for the future.

AUTO LEAPS OVER CURBING AFTER RUNNING DOWN BOY AND INJURES THREE SCHOOL GIRLS

Chandos Russell, seven-year-old son of Mr. and Mrs. F. E. Russell, of 1305 Linden avenue, a pupil in the second grade at Garfield school, and Ruth McGuire, Hazel Kelley and Agnes Smith, also pupils at the Garfield school, were struck by John Kelley's touring car while in front of the J. B. Coriell store on Gallia street, two doors east of Linden avenue, about four o'clock Thursday afternoon.

The Russell boy was painfully injured, but the three girls were only slightly bruised.

Mr. Kelley, of the contracting firm of Kelley Bros., was coming west on Gallia street from New Boston. R. S. Kyle, Charles Serrey and Edward Ford, being in the car with Mr. Kelley. The boy was on the south side of the street with several companions, and all of a sudden darted across the street. Mr. Kelley says he tooted his horn but the boy did not seem to hear the warning and kept on for the north sidewalk. Mr. Kelley soon saw it was impossible to stop and ran the car into the curb in front of the Coriell store. The momentum of the car carried it over the curb and up against the steps leading to the store.

The Russell boy was several feet from the curb when the left front spring hit him. He spun around like a top and rolled underneath the machine and when Charles Serrey pulled him from under the car the left back wheel was against his face, an impression of the tire being plainly visible on the lad's face for several hours. Serrey carried the victim into Coriell's grocery. He was later removed to his home, where Dr. A. R. Moore attended him. An examination revealed no broken bones, but cuts and severe bruises on the head. A gash over the left eye, a one inch cut on the forehead, small cut on the back of the head, cut on the inside of his upper lip and bruises on the left arm and side were the extent of the lad's injuries. Mr. and Mrs. Russell, parents of the injured lad were in Cincinnati Thursday on business and did not learn of the accident until they reached home late Thursday night.

The three girls were on the sidewalk in front of the dry goods store when the car bounded over the sidewalk and had no time to get out of its path.

They were knocked down, but escaped with minor bruises. The trio of girls scrambled to their feet and hurried away. Mr. Kelley offered to take them home but they refused, he says. The Kelley and Smith girl live on High street, while the McGuire girl lives on Robinson avenue.

LIEUTENANT GOVERNOR ARNOLD WILL BE HERE TONIGHT

This evening at 7:30 o'clock the Junior Order United American Mechanics band will accompany the reception committee for the big annual "Home Coming" which will be held by the Portsmouth Council No. 38 Friday evening, to the Norfolk and Western depot where they will meet Lieutenant Governor Jack Arnold and escort him to the ball. The dis-

tinguished visitor, who is a member of the Columbus Council, will deliver the principal address. His subject will be "Free Text Books." Final arrangements for the "Home Coming" were made Thursday evening at the regular meeting of the order. Three hundred visitors are expected to attend the exercises. All members

and former members were invited to attend the entertainment. A splendid program has been prepared and the two main addresses will be delivered by Lieut. Gov. Arnold and Rev. Charles R. Oakley. It will be interspersed with selections of music. The Junior Order band members received their handsome new regulation military uniforms

Thursday evening and will wear them for the first time this evening. Three applications were received and one was balloted upon. Shirley Ruel was elected to membership. The committee on arrangements is composed of: Irwin Bowser, Wm. West, Alva Cowan, Owen Hopkins and C. B. Groninger.

BOARD RECOMMENDS SALE OF THE CHILDREN'S HOME SITE; COUNTY OFFICIALS ARE FAVORABLE TO PLAN

Following the report of C. V. Williams, director of the Children's Welfare Department, upon the condition of the Scioto County Children's Home, in which he termed the institution as "inadequate," the Board of Trustees of that institution and the county commissioners held a joint meeting at the courthouse Thursday afternoon to discuss plans for a new home. The trustees verbally recommended that the commissioners sell the present site and use the proceeds to purchase a new tract of land and erect a modern home.

"I would recommend that the commissioners get a location outside the city," said George D. Selby, president of the Board of Trustees, "near a good school and a church, which would not be too expensive, and build a modern children's home from the proceeds received from the sale of the present site."

"We are ready to do anything for the home recommended by your board," replied President Thomas Watkins, of the county commissioners. "But we would want you to send a written recommendation."

Mr. Selby, after a short conference with John Peebles, the other member of the board present, stated that he would call a meeting at once and forward the recommendation to the commissioners. Shortly after the meeting convened, George Thompson, special representative of the State Auditing department, was asked to give the members a brief report upon the financial condition of the institute. Mr. Thompson said that the February tax distribution amounted to \$307.37. At the time it was warranted to the home, an overdraft of \$632.17 was recorded on the books. "But this figure is entirely wrong," declared Mr. Thompson. "In March, 1913, the commissioners illegally transferred \$9,000 from the Infirmary fund to the Children's Home fund. With the February distribution expended, the overdraft and the transfer mentioned, the home fund is overdrawn by about \$6,000."

Mr. Thompson said that he had been sent to Portsmouth to make a thorough examination of the books. Upon completing his work the examiner will submit a report of his findings to the Attorney General, who will devise a plan, if it is feasible, whereby the commissioners will be allowed to borrow sufficient money to pay all overdrafts which amount to about \$170,000. The auditor's office will then be placed upon a cash basis. Mr. Selby declared that the home under the supervision of Frank M. Bagges, was the most economically managed institution in the state, and added that something would have to be done at once to relieve the situation in the present building. "We face this situation," said Mr. Selby, "we will either have to build a new home or spend considerable money on repairing the old one. I do not believe it would be a good

policy to spend any more money on the present home for it is entirely inadequate."

"To place the building in any sort of shape at all, the roof would have to be raised and the whole building remodeled. It would cost at least \$10,000. The only plan I see is to dispose of the property, which I consider the most valuable piece of real estate in the city, and use the money obtained to purchase a new site and build a modern home. A good many would regret to see the grounds sold. Several advocate that it be preserved for park. But what are we going to do? We need a new home, and need it immediately, and the only way we can build it is to dispose of the present site."

The commissioners then asked Prosecuting Attorney Joseph T. Micklethwait what procedure would be necessary for the board to take in disposing of the home property, and he said that they could sell at their own volition, but did not believe they should subdivide the tract and place it upon the market. Opinions upon this phase of the discussion differed; some thought that the commissioners could sell it as a whole or subdivide it.

The prosecutor advocated preserving the tract and using it as a park. He said that the county could legally move the fences back at any time and use the ground for a park. "From a historical standpoint, the old Indian mound should be preserved for a park," contended the attorney. "Under the provisions of the statutes of Ohio, the home is only a temporary abode, anyway. The children are cared for there while the trustees are finding them a permanent home. If it is necessary to build a new home, why not set aside a certain portion of the tract for the new building and convert the rest into a park?"

"The way the home is built," asserted Mr. John Peebles, "it is absolutely impossible to remodel it so that it will be an adequate place. The help situation is critical. There are too many stairs to climb; too many out-of-the-way places. The high ceilings are hard to keep clean. The entire building is so arranged that it will be impossible to keep the sex separated as they should. To repair the expenditures building will require an expenditure of \$10,000. This sum would go a long way toward a new building. We have got to have a new place and we should act quickly."

Judge Thomas advocated the sale of the property, saying that it was entirely too valuable a piece of real estate to reserve to home purposes. He suggested that the board select a site out in the country. From the attitude displayed by the trustees and commissioners at the meeting, the Children's Home site will probably be sold and the proceeds used to purchase a new tract of land and build a new home. Two resolutions were passed by

"The Strange Case of Mary Page" at the Exhibit

"The Alienist" is the title of chapter five of "The Strange Case of Mary Page."

Philip Langdon is fighting for the life of his sweetheart, Mary Page, who is accused of murdering Dave Pollock.

He starts the jury by introducing testimony proving that Mary Page was persecuted not only by Dave Pollock, but also by her father.

Mary's wild flight through the woods after she was savagely attacked by her father, is vividly portrayed.

Langdon produces astonishing details of events leading up to the crime.

"Firing the Butler, or the Butler's Fire," is an L-Ko two reel farce comedy, featuring Dave Morris, Gertrude Selby, Reggie Morris and others. This is well constructed and enjoyable throughout. The home settings are particularly attractive and the low comedy free from offense.

"The Missing Locket" is a Rex drama of heart interest showing how a family was rescued from poverty forever.

"Arthur's Last Fling" is a Laemmle comedy drama, bound to please. A special children's show starts at nine o'clock Saturday morning. One reel of Charlie Chaplin, two good comedies and one reel of travel pictures. Children three cents, two for five, adults five cents.

the commissioners. One was to ask the State Board of Health to make arrangements to distribute diphtheria anti-toxin to indigent persons. The other was instructing the prosecuting attorney to petition the common pleas court for permission to transfer \$9,263.19 from the dog fund to the Children's Home fund, which is overdrawn \$1,122.21.

200 RECRUITS GO THROUGH

A special train containing more than 200 recruits of the United States Navy, passed through South Portsmouth on a special C. & O. train Thursday night, enroute to the Portsmouth (Va.) Navy Yard. The young men came from the Great Lakes training ship, near Chicago, and will take their places on fighting vessels with experienced sailors.

FAIRBANKS IS WILLING TO ACCEPT THE CALL

Indianapolis, Ind., April 7.—The thirty Indiana delegates who are pledged to go to Chicago in June and vote for Charles W. Fairbanks as long as his name is before the Republican National convention, called on Mr. Fairbanks at his home here late yesterday and gave renewed assurance of their allegiance. They were led by Will H. Hays, state chairman, and accompanied by James E. Watson and Harry S. New, nominated for United States senator, and others.

"This is a little trying, my friends," Mr. Fairbanks said, "and I am glad you have come in this informal way, for now we can talk informally. I am glad you have come as friends in a common cause, that of Republican success. Our Democratic friends, with that ability which amounts almost to genius, have involved the nation in troubles that the Republican party and its sane policies only can eliminate." He said that if the Republicans of Indiana decree that he go before the Chicago convention, he would answer the call.

AGED VICTIM OF TRAIN MAY SURVIVE ACCIDENT

Mrs. Jane Ekel, the aged woman, who, with her little 4-year-old granddaughter, Mary Ella Craig, now dead, was run over by a B. & O. S. W. yard train near Broadway crossing Wednesday, was still alive and reported doing as well as could be expected Friday morning.

Mrs. Ekel spent a very restful night and her pulsation was strong. While physicians and nurses will be greatly surprised

if the aged train victim recovers they now admit that there is a possibility of it. She still calls for her little clay pipe which she was smoking when struck by the train. She was somewhat cheered when her daughters, Mrs. Alice Craig and Mrs. Beller, of Washington C. H. called on her Friday morning.

Mr. and Mrs. James Craig, parents of the unfortunate little girl, had the body of their only daughter brought to the home at 2339

Plum street, Earlytown Thursday afternoon. There was a total absence of expected confusion and excitement. Many neighbors and persons from a distance flocked to the little home.

The funeral of the child will take place from the home Saturday morning at 9 o'clock. Rev. James E. Dibert, of the Wesley Hall Mission, will conduct the religious services. The body will be laid to rest in a grave friends purchased in Greenlawn cemetery.

MAN WITH THE KEY ABSENT, G. O. P. MEETING CALLED OFF

The sudden change of weather did not chill the ardor of the members of the Scioto County Republican Club Thursday evening, for many members answered to the call of the committee for a special meeting. The members came. They looked up at the darkened rooms above the Royal Savings and Loan Company and then looked at their watches. Some examined the lock on the

door while several were telephoning about the city endeavoring to locate John F. Eckhart—the man with the key.

The fine new gold name which was placed upon the door Thursday was admired by several. So when the clock struck eight, the gathering departed—without finding John. Finally, Charles E. Hard located Mr. Eckhart about ten o'clock

at his home on Grandview avenue. Explanations were very satisfactory. Mr. Eckhart received a message to come to Sedan at once. He closed his office in the Masonic Temple and left—with the key in his pocket.

So the committee will issue another call for a general meeting to be held on Tuesday night. This time Mr. Eckhart promises to be there with the key.

HOUSE IS RANSACKED WHEN FAMILY IS AWAY

The police are investigating another jewelry robbery committed Tuesday evening, the fifth or sixth of the kind that has occurred in the past few weeks. The latest robbery took place at the home of John Wales, of No. 1229 Fifth street, who is employed as a pipefitter and "trouble man" at the Selby Shoe factory.

A ladies' gold watch, a ladies' plain ring, a Cameo pin, which Mrs. Wales had in her possession for forty years, and which she highly valued, a gentleman's pocket book, some old coins, including a 50 cent piece of the

year 1812, and all of the gold beauty pins that were in a small tray on a dresser top, comprised the loot. The fact that none of Mr. Wales' effects were disturbed, caused the belief that the robbery may have been the work of a woman, but the police think it was committed by boys and that they were chiefly bent on finding money. It was pay night at the Selby factory, but fortunately Mrs. Wales had taken her husband's money with her when they left at 6:30 o'clock to visit a daughter. When they returned, two hours later, they were surprised to find the front door un-

locked and the rear kitchen door wide open. All lights were burning just as they had left them. The house was in a topsy-turvy state, drawers having been ransacked and their contents dumped upon the floor. Mr. Wales' gold watch lay in the middle of the dining room floor. His new suit of clothes which hung in plain view of the robbers was still in its place. The police thought they had struck a clue and therefore did not divulge the news of the robbery until Friday.

Y. W. C. A. EXHIBITION AT THE HIGH SCHOOL TONIGHT

Tonight, at eight o'clock, in the high school gymnasium, parents and friends of the young ladies and girls and small boys who are taking weekly gymnastic lessons from Miss Edith Brittain will be given a chance to see what results are accomplished in the physical educational work, when a big physical educational demonstration will be given under the direction of Miss Brittain and Miss Marjorie Pursell. Under Miss Brittain's teaching are Y. W. C. A. girls, high school girls, grammar school girls, grammar school boys and Kindergarten pupils, and all have a part in the program.

The pupils were put through their final practice Thursday evening and everything is in readiness for the demonstration, which is the first of the kind to be given in the city. As extra attractions there will be selections by the high school orchestra, Miss Harriet Seorff, director. On the program will be a Dutch dance, in costume; two demonstrations by the Kindergarten pupils; the Indian dance, which originated with a schoolmate of Miss Brittain; the wreath dance, with garlands of roses, all participants wearing Grecian costumes; the Irish dance, all attired in Irish costumes; the Scotch dance; aesthetic dances, including the Garden and Spring dances; an arrangement of Miss Brittain; the Swedish gymnastics demonstrating

O. U. Glee Club Will Play Here

Portsmouth music lovers will be given a rare treat Friday evening, April 28, when the Ohio University Glee Club of Athens, Ohio, will give an entertainment in the high school auditorium. It will be given as a benefit for the high school basketball team. The proceeds will be used in purchasing heavy sweaters for the basketball players. The blue sweaters will contain a six inch red letter "P" on the chest and on the sleeve will be red stripes; the years of playing being denoted by the number of stripes. The tickets are finding a ready sale and the local lads expect to have a full auditorium greet the entertainers.

The Ohio University Glee Club contains some of the best musicians in the state. The Club the corrective part of the educational work. This demonstration is of vital interest to all parents, and all should be on hand tonight.
